SECTION 1 GENERAL

1.01 Introduction and Purpose of Policies

- A. Purpose. The purpose of this Personnel Policies and Procedures Manual (“Manual”) is to set forth the employment policies and procedures for the employees of the Morrow County Offices and Departments (“COUNTY” or “Employer”). These policies have been established by the Morrow County Board of Commissioners (“BCC”) and Appointing Authorities to be utilized by management to provide for uniform application of the terms and conditions of employment. These policies and procedures are applicable to all employees of the COUNTY.
- B. Objective. It is the Employer’s belief that outlining personnel policies and procedures will aid in recruitment and retention of competent and dependable employees, in order to provide a high level of service to the citizens of Morrow County. The policies and procedures outlined in this Manual are designed to accomplish all of the following:
1. Promote high employee morale and foster good working relationships among employees by providing uniform personnel policies, equal opportunities for advancement and consideration for employee needs;
 2. Provide fair and equal opportunity for qualified employees to enter and progress in service based upon merit and fitness as determined through objective and practical personnel management methods;
 3. Encourage courteous and dependable service to the public; and
 4. Assist employees in conducting themselves in an ethical and legal manner while promoting the reputation of the Employer.
- C. Conflict with Laws. The policies contained in this Manual are subject to, and in accordance with, the laws of the State of Ohio. If a policy contained in the Manual conflicts with the terms or conditions of a collective bargaining agreement affecting a group of employees, the terms of the negotiated agreement will be followed. In the event of a conflict between this Manual and the civil service rules, any other applicable Federal or State law, or legal document, the civil service rules, applicable Federal or State law or legal document will prevail.
- D. Amendments. The Employer cannot foresee all personnel issues and concerns that may arise. Accordingly, it may be necessary, and the Employer reserves the right, to revise, modify, amend, or delete any policy, procedure, benefit, or regulation. An amendment shall affect only the specific policy it modifies and shall not affect the enforceability of the remainder of this Manual.

- E. Employer Interpretation. There may be situations that require administrative interpretation of the policies and procedures expressed in this Manual. Every effort will be made to ensure that such decisions are made objectively with the general intent of the policy or procedure in mind. Additionally, there may be occasions when the Employer must add, delete or revise specific policies or give current rules a different interpretation from those interpretations previously made. The Employer has the right to change practices and policies, both written and unwritten, as business requires. Updated policies will be issued and in accordance with Section 1.03.

- F. Employee Review. All COUNTY employees have been notified of the existence of this Manual and each supervisor shall be provided with a copy. Additionally, an electronic copy of the Manual will be posted on the Employer's website. Employees shall be given time to review these policies during their orientation and thereafter as permitted by their supervisors. Employees are expected to understand and comply with the Manual and the Employer will require each employee to sign an acknowledgement evidencing that they have been given notice of the existence of the Manual and has been given the opportunity for review. (Utilize [Form 1 – Employee Review Form](#)). Questions concerning this Manual should be directed to the employee's supervisor.

- G. No Contract. The provisions of this Manual are not intended and shall not operate, to create a contract of employment between the Employer and its employees. The policies contained herein, along with any subsequent amendments and interpretations, shall supersede all previous policies and communications.

1.02 Management Rights

The Employer maintains the authority to establish, interpret and administer policies and procedures of the operations. This authority includes, but is not limited to, the following management rights:

- A. Determine the goals, objectives, programs and services and to utilize employees in the manner designed to effectively and efficiently meet these purposes;

- E. Set standards of service and determine the procedures and standards of selection for employment;
- F. Determine the hours of work and work schedules;

- G. Establish the work rules, policies and procedures for all employees;
- H. Manage and direct employees, including the right to select, hire, promote, transfer, assign, evaluate, supervise, layoff, recall, reprimand, suspend, discharge and discipline for just cause and to maintain order among employees;
- I. Determine when a job vacancy exists, the duties to be included in each job classification and the standards of quality, productivity and performance to be maintained;
- J. Take necessary action to abolish and create classifications;
- K. Determine the necessity to schedule overtime and the amount required;
- L. Determine and implement necessary actions in emergency situations;
- M. Maintain the security of records and other pertinent information; and
- N. Implement and enforce rules regarding workplace health and safety.

1.03 Policy Changes, Clarification and Dissemination

- A. Every supervisor shall keep a copy of this Manual available for review by employees at any time. Additionally, the manual will be available for review on the Employer's website.
- B. Any questions regarding particular portions of this Manual or questions regarding items not covered should be directed to the employee's supervisor.
- C. Periodically, the entire Manual will be reviewed and revised to address changes in the law and current practice. All changes are subject to the approval of the Appointing Authority and/or BCC.
- D. As conditions warrant, portions of this Manual may be amended or deleted by the Employer. Additionally, the Employer may draft certain work rules or directives which act to supplement or explain certain aspects of this Manual. Such amendments, clarifications or deletions shall be disseminated to the effected employees prior to their application. Additionally, such work rules and other guidance with respect to the manual will be available on the Employer's website.

1.04 Classified Employment

A. All employees of the COUNTY shall be in the unclassified or classified service in accordance with Ohio Revised Code Section 329.02

B. Accordingly, after completion of the established probationary period as set forth in Section 4.01, an employee may be discharged only for cause and in accordance with the procedures established by law. Classified employees have the right to appeal certain employment actions to the Local Board of Appeals. If such Board does not exist, then the employee may appeal them to the State Personnel Board of Review (“SPBR”). (See Section 7.06 Appeals).

SECTION 2 MAJOR EMPLOYMENT POLICIES

2.01 Ethics in County Employment

A. All employees are expected to maintain the highest possible moral and ethical standards in the performance of their duties. Ohio law prohibits public employees from using their influence to benefit themselves or their family members. As such, the following Code of Ethics is established:

1. No employee shall use his or her official position for personal gain, nor shall they engage in any business or have a financial or other interest, direct or indirect, which is in conflict with the proper discharge of their official duties.
2. No employee shall, without proper legal authorization, disclose confidential information concerning the affairs of the County, nor shall they use any such information to advance private interest of themselves or others.
3. No employee shall accept any gift, whether in the form of service, loan, item or promise from any person, firm or corporation which is interested directly or indirectly in any manner whatsoever in business deals with the County; nor shall an employee accept any gift, favor or item of value that may tend to influence the employee in the discharge of their duties or grant.
4. No employee shall represent a private interest in any action or proceeding against the interest of the County in any matter in which the County is a party.
5. No employee shall engage in, accept private employment, or render services for private interests when such employment or service is incompatible with the proper discharge of the employee's official duties or would tend to impair their independent judgment or action in the performance of official duties. Other employment, private or public, shall not interfere in any way with the employee's regular, punctual attendance and faithful performance of the employee's assigned job duties.

B. An employee who is offered a gift or favor, and who is not sure if its acceptance is a violation of the Code of Ethics, should inform his supervisor or the Appointing Authority of the gift offer. No employee will accept from any contractor or supplier doing business with the County, any material or service for the employee's private use.

C. Ohio law generally prohibits County employees and officials from having a financial interest in companies that do business with public agencies. Employees who have any doubt concerning a possible violation of these laws are advised to consult an attorney.

2.02 Equal Employment Opportunity Policy

A. It is the policy of the Employer to provide equal opportunity in employment to all employees and applicants for employment. No County official, supervisor or other employee may discriminate against a person with respect to hiring or the terms and conditions of

employment, because of a person's race, sex, religion, color, national origin, age, ancestry, disability or military status.

B. All applicants for employment and all employees shall be treated fairly and equitably based on their respective merit, fitness and bona fide occupational qualifications.

C. A proven violation of this policy by any employee shall be considered justification for his or her dismissal.

D. This manual does not address all possible forms of unethical conduct. Therefore, employees should familiarize themselves with the mandates of Ohio's Ethics Law found in the Ohio Revised Code Sections 102 and 2921.42. Furthermore, if an employee has any doubt as to the applicability of any of these provisions, the employee should consult with their supervisor or the Appointing Authority.

2.03 Americans With Disabilities Act Policy

A. The Act. The Americans with Disabilities Act, 42 U.S.C. §§12101 *et seq.* (hereinafter the "ADA"), prohibits discrimination, in terms of hiring, promotion, transfer, or any other benefits or privileges of employment, of any qualified individual with a disability who satisfies the requisite skill, experience, education and other job-related requirements of the position such individual holds or desires, and with or without reasonable accommodation, can perform the essential functions of the position. The Employer has established the following policy and grievance procedure in order to ensure compliance with the requirements of the ADA.

B. Definitions. For purposes of the ADA, a "disability" is defined as: (1) a physical or mental impairment which substantially limits a major life activity; (2) a record of having that type impairment; or (3) being regarded as having that type of impairment. The ADA defines a "qualified individual with a disability" as an individual with a disability who can, with or without reasonable accommodation, perform the essential functions of the job that the individual holds or desires.

C. Reasonable Accommodation. The physical or mental limitations of an otherwise qualified applicant or employee with a disability shall be reasonably accommodated unless the accommodation would pose an undue hardship. Undue hardship, for purposes of this policy, means an action that requires significant difficulty or expense when considered in the light of other relevant factors or would be extensive, disruptive or would fundamentally alter the nature or operation of the Employer.

D. Undue Hardship. The factors to be considered in determining whether an accommodation would create an undue hardship include the nature and the cost of the accommodation, the size of the department and its overall financial resources, the nature and structure of the operation, the effect of the accommodation on expenses and resources, conflict with state and federal law, and the impact of the accommodation on other employees. Decisions as to whether an accommodation is reasonable shall be made on an individual

case-by-case basis. Employees who believe they are in need of a reasonable accommodation should make their supervisor or the Appointing Authority aware of this need. (Utilize [Form 2 – ADA Request for Reasonable Accommodation](#)).

E. ADA Coordinator. The Employer has designated the Appointing Authority or the Appointing Authority’s designee as the individual who is to serve as the “ADA Coordinator” for the COUNTY. The ADA Coordinator shall coordinate the efforts of the COUNTY to ensure compliance with the mandates of the ADA.

F. Grievance Procedure.

1. The Employer’s ADA grievance procedure may be used by anyone who wishes to file a compliant alleging discrimination on the basis of disability in employment practices by the Employer. The complaint should be in writing and contain information about the alleged discrimination such as name, address, phone number of complainant and location, date and description of the problem. (Utilize [Form 3 - ADA Complaint Form](#)). Alternative means of filing complaints, such as personal interviews or a tape recording of the complaint, will be made available for persons upon request.
2. The ADA complaint should be submitted by the grievant as soon as possible but no later than sixty (60) calendar days after the alleged violation to the ADA Coordinator. Within fifteen (15) calendar days after receipt of the complaint, the ADA Coordinator will meet with the complainant to discuss the complaint and possible solutions or accommodations that may be available to the complainant. Within fifteen (15) calendar days of the meeting, the ADA Coordinator shall respond in writing, and, if necessary, will respond in an alternative format accessible to the complainant, such as large print, Braille, or audio type. The response will explain the position of the Employer and offer options for substantive resolution of the complaint.
3. Nothing included within this grievance procedure shall preclude an individual from filing a complaint with the Equal Employment Opportunity Commission (“EEOC”), the Ohio Civil Rights Commission (“OCRC”) or any other State or Federal agency with applicable jurisdiction.
4. All written complaints received by the ADA Coordinator and responses there to will be kept in a separate file by the Employer and maintained for at least three (3) years.

2.04 Non-Harassment Policy

A. Purpose. The Employer has a continuing commitment to provide its employees with a productive and satisfying work environment and to maintain a workplace free from verbal or physical harassment. Harassment of any employee by a non-employee will not be tolerated in the day-to-day work environment, at work-related events outside the workplace.

Harassment of any employee by a fellow employee will not be tolerated in the workplace, at work-related events outside the workplace or outside the workplace altogether. Workplace harassment is considered an act of misconduct which will result in disciplinary action, up to and including termination. All employees are responsible for implementing and monitoring compliance with this policy.

B. General Definition. Harassment includes derogatory or vulgar oral or written communications regarding a person's race, sex, sexual orientation, age, religion, ethnic background, national origin or disability.

C. Sexual Harassment. Sexual harassment is a form of harassment and is specifically prohibited. Sexual harassment consists of unwelcome or unsolicited sexual advances, demands or requests for sexual favors, and/or other verbal or physical conduct of a sexual nature when:

1. Submission to that conduct is made either explicitly or implicitly a term or condition of employment; or
2. Submission or rejection of such conduct by an individual is used as the basis for employment decisions; or
3. The conduct has the purpose or effect of substantially interfering with an individual's work performance by creating an intimidating, hostile or offensive work environment.

D. Examples of Sexual Harassment. All sexually harassing conduct in the workplace, whether committed by supervisors or non-supervisory personnel is strictly prohibited. Examples of sexual harassment include, but are not limited to:

1. Repeated unwelcome or offensive sexual flirtations, advances or propositions.
2. Verbal abuse of a sexual nature.
3. Graphic verbal commentaries about an individual's body or appearance.
4. Harassment on the basis of sexual preference.
5. Sexually degrading words used to describe an individual.
6. Display in the workplace of sexually suggestive objects or pictures.
7. Unwelcome or offensive verbal or written communication of sexually suggestive material, including "jokes".
8. Unwelcome or offensive physical contact.
9. Any other conduct or behavior that may be construed as being sexually degrading or offensive.

E. Physical Harassment. “Physical Harassment” is not limited to hitting, pushing, or other aggressive physical conduct and shall include threats to take such action.

F. Reporting Procedure. An employee who believes that he or she has been or is being harassed must promptly report the behavior to a supervisor, the Appointing Authority, the Appointing Authority’s designee, or to a member of the BCC. There will be no retaliation against any employee making a good faith report of sexual or other harassment. Any retaliation should also be immediately reported to any one of the individuals previously listed. (Utilize [Form 4 – Discrimination and Harassment Complaint Form](#)).

G. Retaliation. Anyone to whom an allegation of harassment is reported has the obligation to promptly inform the Appointing Authority or, if the Appointing Authority is involved in the complaint, to inform an officer of the BCC. Allegations of harassment will be investigated promptly, fully and fairly. It will be a violation of this policy for any person who learns of the investigation or complaint to take any retaliatory action that affects the work environment of the complainant or any person involved in the investigation. Failure of any employee to cooperate with the investigation of a complaint will be a violation of this policy.

H. Discipline. If the allegation of harassment is found to be credible, appropriate disciplinary action will be taken with penalties up to and including termination for a first offense, in accordance with the COUNTY disciplinary policy in Section 7. Findings of fact will be fully documented and shared with the complainant and affected parties, along with the disciplinary action warranted and taken. Records of the allegations, findings and actions taken will be maintained by the Appointing Authority, or designee.

I. Duty to Report. Any employee who has been advised or has knowledge that this policy has been violated must promptly and fully inform a supervisor, the Appointing Authority, or an officer of the BCC. Failure to so inform may subject the employee to disciplinary action, up to and including termination.

2.05 Drug and Alcohol Policy

A. Purpose. The Employer’s policy is to ensure that employees are free from the effects of alcohol and/or illegal drugs at all times while on duty. The goal is to reduce accidents, injuries and fatalities resulting from drug and alcohol abuse and to ensure that employees are drug and alcohol free while serving the needs of the County. The Employer recognizes alcoholism and drug addiction as treatable diseases and encourages those employees who suspect that they have an alcohol or drug problem to seek professional treatment and assistance. This provision does not prohibit the Employer from taking appropriate disciplinary action against employees for inappropriate behavior. Additionally, this provision does not affect or alleviate any additional requirements concerning drug and alcohol testing under regulations or policies promulgated regarding receipt and maintenance of a Commercial Driver’s License (CDL).

- B. Use of Alcohol and Controlled Substances Prohibited. No employee shall report for duty or remain on duty with any evidence of alcohol use. No employee shall report for duty or remain on duty while using, or while under the influence of, any controlled substance, except when the use is prescribed by a physician who has advised the employee that the substance does not adversely affect the employee's ability to safely perform his or her job duties. In the event that the employee reports to or remains on duty while under the influence of prescription medication, the employee shall provide his or her supervisor with the physician's report concerning prescriptions that could adversely affect their ability to safely perform their job prior to reporting for work.

Pursuant to Ohio law, an employee who tests positive for controlled substances or alcohol following an on-the-job accident or injury may not be eligible for workers' compensation benefits. Similarly, an employee who refuses to submit to a request for drug or alcohol testing following an on-the-job accident or injury may also be prevented from receiving workers' compensation benefits.

- C. Events Resulting in Employee Drug and/or Alcohol Testing. All employees may be subject to drug and/or alcohol testing conducted under any of the following conditions:
1. Pre-employment, post-offer testing. All individuals applying for a safety-sensitive position and those transferring into a safety-sensitive position will be required to undergo and pass a drug and/or alcohol screening conducted by a contractor that the Employer designates following a conditional offer made by the Employer.
 2. Reasonable suspicion of drug and/or alcohol use. Whenever the Employer has reasonable suspicion to believe that the employee is under the influence of alcohol or a controlled substance, the Employer may require such employee to submit a urine or other sample for alcohol and/or controlled substance testing. Reasonable suspicion must be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech or body odors of the employee.
 3. Post-accident testing. As soon as practicable following an accident involving a County vehicle or involving a personal vehicle driven while on County business that results in personal injury or property damage estimated to be in excess of \$2,000, the Employer shall test each employee involved in the accident for alcohol and controlled substances. Any employee who is subject to post-accident testing shall make themselves readily available for such testing or shall be deemed to have refused to submit to testing. If the test is not administered within eight hours following the accident, the test shall not be administered and a written statement explaining why the test was not administered shall be submitted to the Employer.
 4. Return to work testing. The Employer shall require that, before an employee returns to work after engaging in prohibited alcohol and/or controlled substance conduct, the employee undergoes a return to work alcohol test with a result indicating an alcohol concentration of less than 0.02 and a verified negative result for controlled substance abuse.

5. Follow-up drug and alcohol testing. Any employee who tests positive for the use of alcohol or controlled substances while on duty may be evaluated by a substance abuse professional. If, following an evaluation, the employee is directed to undergo substance abuse counseling, such employee may be subject to unannounced follow-up alcohol and/or controlled substance testing consisting of six (6) tests in the twelve (12) month period following the employee's return to work.

Any employee may voluntarily undergo a drug screening and/or alcohol screening test. Testing done under these circumstances will be treated in the same manner as if the employee had been ordered to undergo screening.

- D. Testing Requirements. All drug screening tests shall be conducted by medical laboratories meeting the standards of, and certified by, the National Institute of Drug Abuse, the National Institutes of Health, and the Department of Health and Human Services.

Any employee who is notified of selection for drug and alcohol testing shall be relieved of any job responsibilities immediately and shall proceed to the designated test site immediately. The employee shall be accompanied by the Appointing Authority or his designee. A selected employee shall not make any stops from the time of notification until reaching the designated test site. Failure to proceed immediately to the drug-testing site may be considered a refusal to test.

The results of the testing shall be delivered to the Appointing Authority as well as the tested employee. An employee whose confirmatory test results are positive shall have the right to request a certified copy of the testing results in which the vendor shall affirm that the tests results were obtained using the approved protocol methods. The employee shall provide a signed release for disclosure of the testing results to the Employer. Refusal to submit to the testing or to execute the release may be grounds for discipline up to and including termination.

Costs of all drug screening tests and confirmatory tests shall be borne by the Employer except that any test initiated at the request of the employee shall be at the employee's expense.

- E. Refusal to Test. Refusal to submit to drug or alcohol tests as ordered by the Employer will be grounds for disciplinary action up to and including termination. A refusal to test constitutes conduct that obstructs the proper administration of a test. The following is a list of some, but not all, of the actions an employee may take which will be considered a refusal to test:

1. Refusal to sign the form releasing test results to the Employer;
2. A non-medical delay in providing urine, breath, blood, saliva or any other specimen;
3. Failure to report directly to the testing facility upon notification;
4. The use of any product to invalidate the test results.

- F. Confirmatory Tests. If a drug screening test is positive, a confirmatory test shall be conducted in the manner prescribed in the laboratory's procedures. In the event the second test confirms the results of the first test, the Employer may proceed with appropriate discipline. In the event that the second test contradicts the result of the first test, the Employer may request a third test in accordance with the procedures prescribed above. The results of the third test, if positive, shall allow the Employer to proceed with discipline as set forth in this policy. If the results of the third test are negative, discipline shall not be imposed.
- G. Discipline and Rehabilitation. The Employer may place an employee on administrative leave with pay before the time the confirmatory test results are complete. If the testing required above has produced a positive result, the Employer may take appropriate disciplinary action up to and including termination and/or may require the employee to participate in a rehabilitation or detoxification program. An employee who participates in a rehabilitation or detoxification program may be required to use sick time, compensatory time, vacation leave, and/or personal days for the period of rehabilitation or detoxification. If no such leave credits are available, the employee shall be placed on medical leave of absence without pay for the period of the rehabilitation or detoxification program. Family Medical Leave will be used if available and appropriate.
- H. Confidentiality. Test results will generally remain confidential. However, the Employer may use test result information in connection with County business, for purposes of employment or disciplinary actions and in defense of related litigation. The Employer may also disclose test results when required by government agencies or in accordance with state and federal law.
- I. Drug Free Workplace Policy.
1. Notice Upon Hiring:
 - a. As a condition prior to hiring, all prospective employees will receive a copy of the Morrow County Drug Free Workplace Statement and Policy, and will be required to sign an acknowledgment of receipt which will become a permanent part of the employee's personnel file.
 - b. In addition, as a further condition precedent to hiring, all prospective employees will be required to sign a written statement to the effect that:
 - i. They understand and support the Morrow County Drug Free Workplace Policy.
 - ii. They agree to refrain from violating this policy while employed by the employer.

- iii. They acknowledge, in advance, that they understand that the penalty for breach can be discharge, and agree that the penalty is appropriate when supported by evidence.
- iv. They acknowledge that they have been warned that alcohol and drug testing of employees will be conducted in accordance with the County's policy where there is individualized reasonable suspicion of alcohol or drug use, or drug impairment, or where the drug testing policy permits testing of employees on some other basis.

2. Distribution of Drug Free Workplace

- a. All current employees will receive a copy of the employer's Drug Free Workplace Statement and Policy which may be found on the county's human resource link and will be required to sign a receipt for it, which will become a permanent part of the employee's personnel file.
- b. All current employees will be asked to voluntarily sign a statement supporting the strict enforcement of this policy.
- c. The distribution and acknowledgment of this policy by the employee as well as the Drug Testing Policy in the PPPM will serve as notice to the employee that the county reserves the right to order employees to submit to alcohol or drug testing where supported by an individualized reasonable suspicion of alcohol or drug use, or drug impairment, or where the drug testing policy permits testing of employees on some other basis.

3. The Drug Free Workplace Policy:

Any employee who reports for duty in an altered or impaired condition which is the result of alcohol, the illegal use of controlled substances, or the abuse of legal substances will be subject to disciplinary action or discharge. Employees who are using marijuana with a valid prescription are not exempt from this policy in any way. The use of marijuana in any form, with or without a valid prescription will be treated the same as the use of all other Schedule 1 controlled substances, illegal drugs, or the abuse of legal drugs. Employees using Schedule 1 controlled substances or illegal drugs, including marijuana with a valid prescription, are still subject to all provisions of this policy and may be subject to discipline including termination for such use.

- g. Training shall be conducted on a regular basis to inform employees of the dangers of drug abuse in the workplace.

- F. Qualifications, not length of service, will be used to determine internal transfers or promotions. The Employer maintains the sole right to determine the qualifications desired for a particular vacancy.
- G. Fully-qualified, internal candidates will be given first consideration for transfer or promotion to a vacant position. If no internal applications are received for a vacancy or there is no internal applicant with the desired qualifications for the position, external candidates will be considered.
- H. Any job-related employment tests will be administered in an objective manner. If an individual has a disability, the test will be administered in a manner that ensures the results reflect the skills, aptitude or other factors to be measured. Only job-related skills will be evaluated.

Furthermore, if the criminal records check indicates the applicant has been convicted or pled guilty to the violations listed in Revised Code Section 5153.111(B) or other pertinent violations, said applicant shall be immediately disqualified; or
 - 8. An applicant may be eliminated from consideration upon other reasonable grounds relating to job requirements.
 - 9. An applicant applying for employment in a position in which driving is required must have a driver's license and satisfy the requirement of Section 5.04 of this Manual.

Such appointment shall continue only during such period of sickness, disability or approved leave of absence.
- B. The categories listed above apply for civil service purposes, such as order of retention in the event of layoffs for full-time, part-time and seasonal employees. However, these categories may not apply to certain benefit programs, such as eligibility for healthcare coverage, especially where eligibility and categories of employee status are established by the particular benefit program.

3.05 Classification Plan

This examination may be required when it is required for all post-offer applicants for the position. The examination will be conducted by a licensed practitioner approved by the Employer.

- A. Original Appointments. All original appointments shall be for a probationary period of **twelve months** with the option, at the discretion of the Appointing Authority **to reduce or shorten** the probationary period **from twelve months to as short as six months**. No employee will serve a probationary period **of less than six months** or in excess of twelve months. No appointment is final until the probationary appointee has satisfactorily served the probationary period. If the service of a probationary employee is unsatisfactory, the employee may be removed or demoted at any time during the probationary period without recourse. If an employee is granted a leave of absence or is removed from active pay status for any period of time during the probationary period, the time of such leave will not be counted as part of the probationary period. Amended 2/4/08 (resolution 08-R-089)
- B. Promotional Appointments. All promotional appointments shall have a probationary period equal to that of an original appointment within that classification. If the service of the promotional probationary employee is unsatisfactory, the employee may be demoted to the position from which they were promoted, or to a similar position, at any time during his promotional probationary period.

Section 4.01 Probationary Period, amended 2/4/08, resolution 08-R-089

4.02 Hours of Work, Overtime and Flextime

- A. Regular Work Hours.
 1. The normal workweek for full-time employees shall consist of forty (40) hours per week, and the normal workday shall consist of eight (8) hours per day with all employees working “core hours” of 8:00 a.m. to 4:30 p.m. All personnel are designated (in writing) as “flexible hours employees,” it is not permissible for employees to deviate core hours, unless so required to flex their schedule as directed by their supervisor. Employees not exempt from the overtime provisions of the Fair Labor Standards Act (“FLSA”) shall not work prior to, subsequent to or outside their regularly scheduled hours unless authorized in advance by their supervisor or in emergency situations. When possible, employees shall receive reasonable notice of any change in regular work hours when practicable.
 2. Employees will receive a one hour lunch period (one half-hour paid and one half-hour unpaid.) Employees who are not exempt under the FLSA shall not be permitted to work during the unpaid portion of their lunch period except with the approval of their supervisor or in emergency situations.

B. Overtime.

1. Overtime may be necessary and required. Supervisors shall attempt to distribute overtime as equally as practicable among qualified employees within those classifications in which overtime compensation is required. An employee who refuses to work a mandatory overtime assignment may be considered insubordinate and disciplined accordingly.
2. Employees not exempt from the overtime provisions of the FLSA shall be considered to be working overtime for all hours worked in excess of forty in any one work week, regardless of the employee's regularly scheduled work day.
3. Overtime shall be compensated at a rate of one and one-half times the employee's regular rate of pay for actual overtime worked at the discretion of the appointing authority. Certain non-exempt employees may take compensatory time-off in lieu of overtime payment, provided the employee does not exceed the maximum accrual of ninety (90) hours. The Employer may, at its sole discretion, require an employee to use his or her compensatory time prior to the employee reaching the one hundred eighty (180) day accrual limit.
4. Employees exempt from the overtime provisions of the FLSA are not eligible for overtime payment. The Appointing Authority shall determine if an employee is exempt from overtime requirements for purposes of the FLSA in accordance with Section D below.
5. All overtime work must be approved in advance by the Appointing Authority or the Appointing Authority's designee unless an emergency occurs that requires overtime. The Appointing Authority or the Appointing Authority's designee shall approve/disapprove the overtime request. Employees should submit a Request for Overtime within two (2) working days after the overtime work was performed. (Utilize [Form 12 – Request for Overtime Approval](#)).

C. Flextime. An employee is entitled to flex time (hour for hour) if the employee has received prior written approval from his or her supervisor or designee to perform agency-related duties that are outside of the standard eight (8) hour workday. If the employee is required to work in excess of forty (40) hours and does not have the ability to flex off as determined by his or her supervisor, the employee will be entitled to compensatory time off or overtime as described in Section B above.

D. Exempt Employees. Some employees are not eligible for overtime under the FLSA and are considered "overtime exempt" or "exempt" employees. These employees fall within the professional, executive and managerial categories under the FLSA. Exempt employees are expected to work the number of hours needed to perform job related assignments. It is recognized that exempt employees often work more than forty (40) hours per week, especially during certain times of the year. Generally, exempt employees do not receive overtime compensation. In recognition of the additional work, the Appointing Authority or supervisor may grant reasonable time off to exempt employees in recognition of times when excess hours must be spent by exempt employees. Exempt employees are not entitled to compensatory time except in the case

of holidays as specified in the section entitled “holiday leave”. Exempt employees are not compensated for unused time accumulated under this section.

4.03 Compensation

A. Record Keeping. The Fair Labor Standards Act requires the Employer to keep an accurate, daily record of each non-exempt employee’s hours worked. (Utilize Form 13 – Record of Hours Worked). Pay records include:

1. Employee’s name, home address, job assignment, sex and birth date (if the employee is under 19 years of age);

The paycheck will cover the two-week period of time preceding issuance of the check. If a holiday occurs on a payday Friday, paychecks will be issued on the preceding Thursday, except under extenuating circumstances, in which case paychecks will be issued as soon as possible.
2. Questions regarding paychecks should be directed to the employee’s supervisor. The Employer is responsible for making the necessary inquiries and explanations to resolve the matter.
3. Pay advances are not permitted. However, in cases of extenuating circumstances, paychecks may be issued early. In such instances, the Appointing Authority must approve such early release in writing using the form provided by the County Auditor. The receipt of such early paycheck is subject to availability in the sole discretion of the County Auditor. In cases where a paycheck is issued early, it is done so with the understanding that the employee will not deposit or cash the paycheck until the regular pay date. (Utilize Form ____ - Paycheck Advance Request and Understanding).
4. Written authorization signed by the employee must be given to the supervisor before a paycheck will be issued to any person other than the employee. Such statement must authorize a specific person to pick up the employee’s paycheck. The authorized person must be able to produce identification at the time he or she arrives to pick up the paycheck. (Utilize Form ____ - Paycheck Pickup Form).

5. If an employee is overpaid or underpaid, the adjustment will be made in the next paycheck after the matter is resolved.

C. Deductions. Certain payroll deductions are made from an employee's paycheck as required by law, in accordance with employee benefit plans or as requested by the employee. These deductions are itemized on the pay statement that accompanies the bi-weekly paycheck. Deductions may include:

1. Retirement – Public Employee's Retirement System (PERS). State law requires that all employees contribute to PERS unless they contribute to another public retirement system. A portion of each part-time or full-time employee's gross pay is deducted as a required contribution to PERS. Additionally, the Employer contributes an additional amount established by OPERS. Specific amounts of the employee and Employer contributions are determined by the OPERS Board of Appointing Authorities and may be found at the following link: www.opers.org.
2. Income Tax. All Applicable Federal, State, municipal and school taxes will be withheld as required by law. An employee must complete a tax withholding form (W-4) at the time of initial employment and keep the COUNTY Fiscal Department Payroll Clerk informed of any changes in tax withholding status.
3. Medicare Tax. Each employee hired after April 1, 1986 will have Medicare taxes in the amount established by Medicare of the employee's gross earnings deducted from his or her pay. An employee who was employed before April 1, 1986, then quits and is re-employed on or after April 1, 1986 will have Medicare taxes deducted. Specific amounts can be found at the following link: www.medicare.gov.
4. Voluntary Deductions. An employee may authorize payroll deduction for insurance, deferred compensation or other purposes approved by the BCC. The County Auditor may refuse to make deductions that are not required by law, are below certain set minimum amounts or that occur at irregular intervals.
5. Garnishments. Court-ordered garnishments, including child support payments, will be withheld. (See Section 9.03, Garnishments).
6. Deferred Compensation.
 - a. An employee may have a portion of his or her income deposited, through voluntary payroll deduction, into a deferred compensation program approved by the BCC.
 - b. The deferred compensation program exists and serves in addition to any retirement, pension or benefit system established for the benefit of the employees. No deferral of income under deferred compensation programs will effect a reduction of any retirement, pension or other benefit provided by law.

- c. No sum deferred under the deferred compensation program will be included for the purpose of computing taxes withheld on behalf of the employee, except as otherwise provided by law.
 - d. Participation in the deferred compensation program is voluntary. Details can be obtained through the COUNTY Fiscal Department Payroll Clerk.
- D. Reporting of Errors. Employees' paychecks will include a statement reflecting earnings, deductions, accumulated sick leave, compensatory time and vacation leave balances. Employees are responsible for reviewing these statements and for promptly bringing any error to the attention of their immediate supervisor and/or the County Auditor's Office. Failure to promptly alert appropriate individuals as to an error may result in waiver of the complaint.
- E. Automatic Salary Adjustments. New employees will receive an automatic step increase to the next higher step within their classification after completion of their probationary period. Step increases will generally continue annually until the maximum step is reached. The number of steps in the annual step increase will vary with the classification of the employee. If it is determined that funds are not available for a certain fiscal year, no step increases will occur.

4.04 Employee Orientation

- A. All new employees shall receive an orientation that explains job responsibilities, personnel policies and related information. Each employee shall have the opportunity to read a copy of this Manual and the employee shall be required to sign the attached Acknowledgement within one week of hire. Each employee will receive an orientation packet which includes personnel policies, job description, tax forms, health insurance forms and other related information.
- B. Each Department Manager or Manager's designee shall be responsible for the orientation of any new employees under their direction. **ADD LINK TO ORIENTATION CHECKLIST**

4.05 Training and Education

- A. Each individual administrator, supervisor, and employee bears primary responsibility for maintaining individual knowledge, skills and abilities necessary to perform the job and for upgrading skills necessary to meet technological change or seek promotion. The Employer will facilitate those efforts and provide training from time to time. An employee's immediate supervisor is responsible to maintain a record of the employee's training. This record should include training that the employee completed, as well as training that was offered to the employee but not completed.

An employee may pursue independent study or training but may not obligate the Employer to pay expenses or compensation without specific advance permission as described in paragraph E below.

The Employer or designee shall ensure that both probationary and non-probationary employees receive sufficient training to effectively perform their jobs to the prescribed performance level and be in compliance with the Ohio Administrative Code.

- B. The Employer shall periodically examine current and proposed training programs to ensure the program's relevance to both the individual employee and the organization training needs.
- C. The Employer shall maintain an inventory of current skill and ability levels of employees in order to identify persons in need of additional job training. The Employer shall provide such training, insofar as practicable, in order to upgrade individual job performance levels or to prepare employees for anticipated position vacancies. The Employer may cross-train employees within the COUNTY in order that employees are qualified to fill in the absence of a fellow employee. The Employer shall assure that all training is documented and any required training is tracked.
- D. Employees may be required to attend job-related training programs, courses, workshops, seminars, etc. If the Employer assigns the employee to attend such training or approves a specific request from an employee to attend such training, the expenses incurred shall be paid by the Employer. Exceptions may be made to require training based on documented competency in specific areas.
- E. An employee may request that the Employer provide additional job training to upgrade performance levels in his or her current position or in preparation for anticipated vacancies. Such training may be considered by the Employer. In all cases, however, such additional paid training shall be subject to the approval of the Employer.
- F. Educational Leave: Agency-sponsored class work should be completed outside of work hours. If a class is (1) Required for degree completion, and (2) is never offered outside of work hours during any quarter or at any other site, the employee may present proof of such to his or her unit manager and request use of accumulated leave time (vacation or compensatory) to complete the course work. One class per quarter may be approved as long as it is a required course for a work related degree.

4.06 Performance Evaluations

- A. A performance evaluation provides the Employer with an effective mechanism to measure and communicate levels of job performance to employees. Merit ratings are essential in cases of promotion, probationary period evaluations and other cases where it is beneficial to have an evaluation of an employee on file.
- B. The employee's immediate supervisor shall attempt to conduct performance evaluations twice during an employee's probationary period and once each calendar or anniversary year thereafter. Forms for such ratings and a schedule of annual ratings shall be prepared and made available to all supervisors. (Utilize Form 14 – Employee Performance Evaluation).

- C. Each supervisor shall review and discuss with the applicable employee the ratings given to them. The employee shall sign a copy of the written appraisal and rating as evidence that such a review was conducted. The reviewed employee shall receive a copy of the rating and may submit a written response to the performance evaluation.
- D. Special reviews using the Employee Performance Evaluation may be conducted at any time at the discretion of the employer. Such evaluations are useful when an employee is at risk of progressive discipline due to performance issues.

4.07 Employee Records

- A. The Employer shall maintain and establish personnel files for each employee. At the time of the original appointment, the employee's personnel file shall reflect the employee's correct name, address, telephone number, social security number, tax exemptions, affiliation with any branch of the armed services, and loss of licensure or insurability, if applicable. In addition, the initial record should include the name and phone number of a person to contact in case of an emergency. The employee is responsible for providing this information and for promptly reporting any change in the information. (Utilize [Form 15 – Employee Emergency Contact Information](#))
- B. Records maintained by the Employer that are not defined as “public records” in Section 149.43 of the Ohio Revised Code or other applicable provisions of law, shall not be released from an employee's personnel file unless specifically authorized by such employee in writing. Records maintained by the Employer that are defined as public records shall be released in accordance with law.
- C. Each employee shall have the right, upon written request and reasonable notice (at least twenty-four (24) hours) to examine their own personnel file. Such examination shall be made on non-work time or at some other mutually agreeable time. A representative of the Appointing Authority's office shall be present at the time the employee reviews their own file.
- D. If an employee disputes the accuracy, timeliness, relevance or completeness of documents in their file, the employee may submit a written request that the Appointing Authority investigate the current status of the information. The Appointing Authority or Appointing Authority's designee will conduct a reasonable investigation to determine the accuracy, timeliness, relevance and completeness of the file, and will notify the employee of the results of the investigation and any plans the Appointing Authority has to take action with respect to the disputed information. The employee may submit a statement to be attached to any disputed documents.
- E. Employees are not permitted to alter, add or remove documents or other information contained in their personnel files absent written authorization from the Appointing Authority. An employee who alters, adds or removes documents or information from their personnel file may be subject to discipline up to and including termination.

- F. Pursuant to applicable law, all medical records shall be maintained in a separate file. Such records are not considered to be public records.

4.08 Transfer

- A. Job Assignments. Employees are expected to perform any work duties assigned by the Employer, not just those specific duties set forth in a job description. If a job assignment constitutes a temporary transfer, Section C, below, shall apply.

B. Permanent Transfers.

1. A permanent transfer is any transfer in excess of thirty (30) days unless the employee has consented to a longer period not exceeding ninety (90) days. An employee shall be eligible for a permanent transfer only after successfully completing the one (1) year probationary period.
2. A classified employee may be transferred to a position of similar classification in another office or department having the same pay and similar duties.
3. Any employee who voluntarily requests, and is granted, a transfer to a vacancy in a lower classification will be reclassified and must accept the duties, responsibilities, and wages of the lower classification for a minimum of six (6) months before requesting or applying for a transfer or promotion to a higher classification.

C. Temporary Transfers and Assignments.

1. All employees shall be required to perform any and all temporary assigned duties of which they are capable regardless of their usual or customary duties or job assignments. 2. When an employee is temporarily assigned to substitute in another job classification with a rate of pay lower than the employee's existing pay for reasons (a) through (e) above, the employee shall receive their regular rate of pay. When the employee is temporarily assigned to a lower classification for reason (f) above, the employee shall receive the highest rate of pay applicable to her temporary assignment.

4.09 Voluntary Separation from Employment

- A. Resignation. Resignation in good standing requires a minimum of two (2) weeks notice and must be submitted in writing to the Employer for acceptance. An employee who does not resign in good standing is ineligible for reinstatement.
- B. Job Abandonment. An employee who fails to return from a leave of absence within three (3) working days of its expiration or has three (3) days of “no call, no show” is subject to removal. If at any time within thirty (30) days of termination due to job abandonment a classified employee makes a satisfactory explanation of the cause of absence to the Employer, the employee may then be reinstated. An employee who has abandoned his or her position is not eligible for future employment with the County.
- C. Retirement. Upon deciding and qualifying for retirement, an employee shall notify and initiate the process pursuant to the guidelines set forth by the Ohio Public Employees Retirement System (OPERS). www.opers.org.
- D. Retire/Rehire Policy
1. Generally: Based upon the appointing authority’s operational needs, the appointing authority or designee, at his or her discretion, may initiate discussions with a retiree or a potential retiree regarding reemployment with the county.
 2. Definition: Reemployment of a retiree occurs when such retiree returns to work in an OPERS-covered or another Ohio retirement system-covered position after retiring under OPERS or another Ohio retirement system retirement plan.
 3. In accordance with O.R.C. § 145.381, if the retiring employee is subject to hire through a Board, then sixty (60) days prior to rehire in the same job from which the employee retired, the hiring Board must give public notice of the employee’s intent to rehire. The hiring Board must then hold a public hearing on the issue between fifteen (15) and thirty (30) days prior to the retired employee’s rehire date.
 4. At the time of retirement, the employee must be paid all accrued vacation time. When rehired, the employee will begin accruing vacation as a new employee. The employee will not receive credit for prior years’ service in determining the vacation accrual rate.
 5. If the employee requests payment of sick leave upon retirement, the employee will start with a zero balance and accrue sick leave as a new employee. The employee will not be eligible for any future payment of unused sick leave earned during post-retirement employment.
 6. If the employee does not request payment of sick leave upon retirement, he may retain the sick leave balance for use when rehired provided his re-hire date is within ten years of his retirement. If the employee chooses not to request payout upon retirement, he shall not be eligible for any payment of unused sick leave upon separation from the post-retirement employment.
 7. Classified/unclassified employees who are rehired subsequent to taking OPERS retirement will receive no credit for prior service. Rehired employees will start a new period of classified/unclassified service for the purpose of calculating service credits in the event of layoff or other action affecting their employment.

8. Employees/OPERS members are required to notify their employer and the Board of Commissioners of their retirement date. The County reserves the right to start a rehired employee at a newly negotiated rate of pay.

9. Specific provisions relating to OPERS benefits under this policy are meant only to be informative and provide guidance. OPERS is a state agency, and any questions relating to OPERS benefits should be directed to OPERS.

10. Employees who retire and are rehired with no break in employment shall continue to receive insurance benefits with no break in coverage, provided the employee qualifies under the county's insurance policy.

- iv) The Personal Device must be encrypted and any resulting back-ups must also be encrypted.
- v) If a Personal Device becomes non-compliant with any of the Minimum Security Requirements, it must be remedied within a reasonable period of time, or the Personal Device will be blocked from access to member termination of this privilege may be revoked.
- vi) All data on the device may be subject to a public records request or legal discovery.

6) Network Design and Administration

- a) Implement a "trust no-one" policy. Assume all connections are a risk that needs to be minimized. This would include internal systems such as HVAC, Card Access, elevator controls, etc.
- b) No equipment should be connected directly to the "internet" unless it is 100% unavoidable.

- i) Do not connect directly to an ISP's modem without an intervening firewall or other layer of acceptable security.
 - (1) If you get your LAN IP addresses from the ISP's modem that is a clue you may be without protection.
- c) No equipment should be connected to the network in the out-of-the-box configuration.
 - i) At a minimum, the default administrative passwords should be changed to comply with the strong password policy.
 - ii) Where possible, individual sign-ins to the administrative interface of the equipment should be used for access and change tracking rather than the default administrator account login.
- d) Security devices (Firewalls\ASA's) should be of an enterprise-grade type, no matter how small the operation. Major name brands of equipment should be used.
- e) Network equipment should be classified as MANAGED, which provides for access to logging, VLAN's, and the ability to upgrade.
- f) Cyber-threats evolve in real-time. Your equipment is vulnerable the second it is put into use. Firewalls, switches, and routers should have the most current firmware and threat-list available. Some firmware updates introduce issues that need to be resolved with another update. In this case, the next closest revision should be used.
- g) Network Address Translation (NAT) and Port Address Translation (PAT) should be used to mask all internal private IP addresses communicating to the internet or to another connected non-native agency (such as another city, county, or state).
- h) The strongest AES encryption should be used in every instance of VPN connection. CJIS requirements should be observed as the minimum even in non-CJIS access (i.e. FIPS).
- i) Networks should avoid a "flat" network design where a person can open "Network" on their pc and see the entire organizations pc's and servers listed. The design should include:
 - i) The use of multiple VLAN's
 - (1) State\Fed mandated Secure (CJIS connected, etc.)
 - (2) By Department (HR, Accounting, Commissioners, Health, etc.)
 - (3) By Equipment (HVAC, Elevator, Server Type, etc.)
 - ii) The use of multiple IP Subnets
 - (1) Per VLAN
 - (2) Per Department
 - (3) Per Equipment Type
 - iii) Use the Router ACL's to limit which VLAN, IP Subnet can talk to one another.
- j) The use of Access Control Lists (ACL) in routers and switches should be used to only provide access to core systems to those who need it. The overhead associated with this design can be minimized by using security groups instead of individual MAC, IP Address, or User accounts.
- k) Wireless Access Points are an easy target by anyone with a smartphone or a tablet.

- i) SID should NEVER be “open” and should always require a password. The Password must comply with the strong password policy.
- ii) Individual user accounts must be utilized and passwords never shared.
- iii) Use LDAP for sign-on so wireless passwords don’t have to be changed and can be audited.
- iv) Tune antenna power to lowest reasonable power to limit exposure.
- l) The use of a syslog server should be used to capture the activities of the routers, switches, and firewalls. Especially the firewalls should be reviewed weekly to identify intrusions and improper
- m) Open wall ports (no pc, printer, phone, etc. connected to them) should have the patched switch port DISABLED to prevent rogue and unapproved devices from being able to connect to the network by vendors, contractors, etc.
- n) Physical security of your data systems is often overlooked.
 - i) Servers should be in a controlled access room, not on a desk in an office.
 - ii) Some means of auditing the access to the room should be in place, such as a camera, card access system.
 - iii) Keys to the room should be limited to qualified IT persons and limited Facilities persons so they may respond in the case of a fire, etc.
- o) Contract with a reputable vendor for a network penetration test, run from both the outside and the inside and make adjustments where necessary.

7) Software Updates/Patches

- a) Morrow County will review, evaluate, and appropriately apply software patches as soon as possible after release. If patches cannot be applied immediately due to hardware or software constraints, mitigating controls will be implemented based upon the results of a risk assessment.
- b) This policy covers all servers, workstations, network devices, operating systems (OS), applications, and other information assets for which vendors provide system patches or security updates.

8) Interaction With Other Information and Equipment Security Policies

- a) This policy is one part of Morrow County information and equipment security policies. It is to be utilized in addition to, not instead of, other policies such as, but not limited to, the Use of Member Property, Social Media, Computer Use, Internet, Email, Telephone and Privacy Policies.

9) Compliance

- a) Violations of this policy may lead to suspension or revocation of system privileges and/or disciplinary action up to and including termination of employment. In the case of a third party, there may be contractual obligations for encryption that the third party is responsible for implementing. Violations of those provisions may result in cancellation

of any related privileges or termination of the contract. We reserve the right to advise appropriate authorities of any violation of law.

NETWORK SECURITY

Securing the pc's, laptops, tablets, and smartphones connected to and in use in an agency is an obvious place to begin when looking to secure your network and limit the exposure to the user-end side of cyber risk. Mathematically the number of devices and users grabs the attention and time is spent managing that portion. In many cases the connecting infrastructure and setup is overlooked, especially in situations where the person(s) charged with supporting the network may not do IT work as their primary job function. Strong governing policies and network setup using industry standards and best-practices is fairly easy to maintain once set up, and are very effective in securing a network.

The easiest way to understand a well-protected network of any kind is to visualize it as an onion. An onion has many concentric layers, each protecting the one inside of it, with the most valuable in the center. The layers of a network should be similar, with users and devices sharing the same resource-needs being able to navigate to the layer those resources reside while restricting the rest. The goal is to limit the extent of how far the "bad guys" can get no matter which layer their access to the network was initiated. At times it can be a challenge. Security in any form is rarely convenient, but always needed.

NIST has published many standards in their Computer Security Division, Computer Security Resource Center at <http://csrc.nist.gov/publications> that should be followed wherever and whenever possible.

If any of these recommendations are foreign to you, it is strongly advised to contract with a qualified vendor for your IT needs.

Appendix B

INCIDENT RESPONSE PLAN

Purpose

The purpose of this Incident Response Plan (“IRP”) is to provide guidance on the appropriate steps to be taken and documented in the event of a possible security incident or data breach, from the time of suspected breach to post-incident response closure, so that all incidents are handled in a consistent manner and the exposure to the potentially breached party is limited. It also provides a methodology for collecting evidence in the event of criminal activity. Documentation of responsive actions taken in connection with any security incident or data breach, as well as documentation of the post-incident events and actions taken is critical in making appropriate changes to business practices to improve the safeguarding and handling of Sensitive Information.

Applicability

This IRP process applies to all Morrow County employees, administrative consultants, contractors, temporary personnel, and the like who may experience or witness a security incident or possible data breach. After discovery, this process provides a checklist or outline for responding so that steps or information related to the incident are not missed. We are committed to protecting our information and responding appropriately to a security incident or data breach.

Scope

Protection of our information and data is paramount. This IRP will provide a checklist for responding to a security incident or potential data breach. An incident can be intentional or unintentional, and this IRP could be implemented in response to many events having an adverse effect on the Morrow County network.

Guidelines

- This IRP describes our safeguards to protect sensitive information. These safeguards are provided to:
- Protect the confidentiality, integrity and availability of data and the Morrow County network;
- Protect against a data breach that could result in harm or inconvenience to a client or user and meet any notification requirements;
- Protect against anticipated threats or hazards to the security or integrity of sensitive information;
- Identify and assess the risks that may threaten Personally Identifiable Information (PII);
- Conduct a reasonable investigation to determine the likelihood of information that has been or will be misused;
- Conduct a post-incident investigation to capture lessons learned;
- Develop written policies and procedures to manage and control these identified risks or vulnerabilities;
- Adjust the Information Security Program to reflect changes in technology, the sensitivity of data stored, and internal or external threats to information security.

The IRP should be tested annually to ensure all participants on the Incident Response Team (IRT) know their roles in the event of a true incident.

Process

- 1) This section establishes steps for responding to an incident and initiating the IRP.
 - a) **Incident Response Process – Initial Discovery**
 - i) Anyone suspecting or noting a security incident, data breach or potential system compromise, or malicious activity contacts Information Security, the Incident Response Team (IRT) or outside incident responder on the team [All referred to as “Information Security” in this document]
 - ii) Determine if there has been a security incident, and the nature and seriousness of the incident, by considering the following questions and discussing them with Information Security, and document initial triage.
 - (1) Does the system contain sensitive information?
 - (2) Is there a chance outside law enforcement may need to get involved?
 - (3) Is there a requirement or desire to perform a forensics analysis of the system compromise?
 - (4) If the answer is “yes” to any of these questions then immediately coordinate actions to be taken with Appointing Authority and the Prosecuting Attorney, and apply the below as appropriate.
 - (5) If the answer is “no” to all the questions, then apply the below as appropriate.
 - iii) Contact CORSA immediately and utilize the resources at eRisk Hub.
(<https://www.eriskhub.com/corsa.php>)
 - iv) Do preliminary analysis - isolate the compromised system by disconnecting the network cable. If this is not feasible or desirable, block access to the compromised system via the network.
 - v) Determine the security incident type - try to determine the cause of the malicious activity and the level of system privilege attained by the intruder.
 - vi) Disable any compromised accounts and terminate all processes owned by them.
 - vii) Compile a list of IP addresses involved in the incident, including log entries if possible, and forward the data to Information Security.
 - viii) Determine the users that need to change their passwords due to the compromise, as well as whether or not they have accounts on other systems using the same credentials and notify the IT administrators for those systems.
 - ix) Backup the local password file, if appropriate, so you can compare who has and who has not changed their passwords after notification.
 - x) Notify Information Security if your system uses LDAP authentication to authenticate users.
 - xi) Notify the owners of the compromised accounts and reissue credentials. Consider the likelihood of the intruder having access to the compromised account email and utilize other contact methodology.
 - xii) Determine whether all affected users have established new user IDs and passwords.

- xiii) Rebuild the system, and verify that its network access should be re-established by contacting Information Security.
- xiv) Information Security should perform a network vulnerability scan of the system after it is unblocked to identify any unresolved security issues that might be used in future attacks against the system.

b) Post-incident Lessons Learned

- i) Hold a meeting of the IRT within 48 hours of completion of response.
- ii) Review chronology of the event.
- iii) Identify what went wrong and what went right. For instance, “encryption was used on the file server containing confidential Information and PII.”
- iv) Identify the threat or vulnerabilities that were exploited and determine whether it/they can be alleviated.
- v) Review if all intrusion detection or prevention was in place, active and up to date.
- vi) Document “lessons learned” and assign appropriate updates to Information Security Program.

c) Privacy Breach Incident Response

- i) If a security incident is suspected to be a data privacy breach, immediately notify the IRT, including the Appointing Authority, Prosecuting Attorney and Information Security.
- ii) Determine what information was suspected to be breached, i.e., specific individuals’ first and last names with a type of PII.
- iii) When appropriate, bring in an incident-response expert or law enforcement to conduct an investigation. Identify the scope, time frame and source(s) of breach, type of breach, whether data encryption was used and for what, possible suspects (internal or external, authorized or unauthorized, employee or non-employee user).
- iv) Review for other compromised systems.
- v) Monitor all systems for potential intrusions.
- vi) Determine the notification requirements and address within the required timeframe

Section 5.06 amended 2/8/17, Resolution# 17-R-085

Appendix C

Password Policy

Purpose

Employees of Morrow County must access a variety of technology resources, including computers and other hardware devices, data storage systems, and other accounts. Passwords are a key part to any information technology strategy to make sure only authorized people can access those resources and data.

All employees who have access to any of those resources are responsible for choosing strong passwords and protecting their log-in information from unauthorized people.

The purpose of this policy is to make sure all Morrow County resources and data receive adequate password protection. The policy covers all employees who are responsible for one or more account or have access to any resource that requires a password.

Scope

This policy applies to all Morrow County full-time, part-time and temporary employees.

Password creation

- All passwords should be reasonably complex and difficult for unauthorized people to guess. Employees should choose passwords that are at least eight characters long and contain a combination of upper and lower-case letters, numbers, and punctuation marks and other special characters. These requirements will be enforced with software when possible.
- In addition to meeting those requirements, employees should also use common sense when choosing passwords. They must avoid basic combinations that are easy to crack. For instance, choices like “password”, “password1” and Pa\$\$w0rd” are equally bad from a security perspective.
- A password should be unique, with meaning only to the employee who chooses it. That means dictionary words, common phrases and even names should be avoided. One recommended method to choosing a strong password that is still easy to remember: Pick a phrase, take its initials and replace some of those letters with numbers and other characters and mix up the capitalization.

For example, the phrase “this may be one way to remember” can become “TmB0WTr!”.

- Employees must choose unique passwords for all of their Morrow County accounts and may not use a password that they are already using for a personal account.
- All passwords must be changed regularly, with the frequency varying based on the sensitivity of the account in question. This requirement will be enforced using software when possible.
- If the security of a password is in doubt – for example, if it appears that an unauthorized person has logged in to the account – the password must be changed immediately.

- Default passwords – such as those created for new employees when they start or those that protect new systems when they’re initially set up – must be changed as quickly as possible.

Protecting passwords

- Employees may never share their passwords with anyone else in the organization, including co-workers, managers/supervisor, administrative assistants, IT staff members, etc. Everyone who needs access to a system will be given their own unique password.
- Employees may never share their passwords with any outside parties, including those claiming to be representatives of a business partner/organization with a legitimate need to access a system.
- Employees should take steps to avoid phishing scams and other attempts by hackers to steal passwords and other sensitive information. All employees will receive training on how to recognize these attacks.
- Employees must refrain from writing passwords down and keeping them at their workstations. See above for advice on creating memorable but secure passwords.
- Employees may not use password managers or other tools to help store and remember passwords without IT’s permission.

For additional information on password security see the NIST special publication 800-118: Guide to Enterprise Password Management.

Appendix D

Computer Replacement and Purchase Policy

Purpose

The purpose of this policy is to outline the process by which Morrow County acquires, replaces, and disposes of computer hardware equipment as well as the purchasing of personal computer systems and laptops for county staff.

Scope

This policy applies to all Morrow County full-time and part-time employees and to the purchase of all computer equipment issued by the county regardless of funding sources.

Computer Equipment Purchases

All computer equipment purchases must be coordinated with Information Technology before any purchases are made.

Computer Equipment Received via Grants or Gifts

Departments/agencies receiving computer equipment as gifts from individuals, donations and grants must work with Information Technology before accepting the equipment. Equipment gifts will be reviewed to ensure that the equipment may be utilized in the county environment and that ongoing support can be provided.

Computer Replacement Cycle

Full-time positions will be assigned one primary computer. The computer assigned to a user as their primary system will be the machine covered under the Computer Replacement Cycle. Those users with non-primary computers may either be upgraded out of the IT computer redistribution pool or by other departmental funds. The general guidelines for replacement of primary systems are:

1. Full-time staff: Four years from the date of computer assignment
2. Computers needed for part-time staff, student worker or intern positions, temporary positions, and machines needed for projects or other temporary uses will be furnished out of the IT redistribution pool of computers.
3. Computers that are part of the IT Computer Replacement Cycle will be replaced with a new standard computer and charged back to each department/agency. Each department/agency will also cover the costs of a new standard machine requested for a newly created position.

Standard Computer Configurations

A standard configuration will be established by Information Technology on an annual basis. Any upgrades to the hardware configuration beyond the scope of the standard configuration will be charged to the requesting department/agency.

Full-time staff will receive a Windows desktop unless justification can be provided and approved by the respective department/agency. If equipment other than a Windows desktop is approved by the department/agency, any monetary difference will be paid by the respective departmental/agency funds.

Any staff replacement personnel will inherit the computer used by the previous holder of that position, unless that computer was purchased or has been in use for four years.

Standard Software Installations

Standard software on machines will include:

1. Current supported version of Windows (or Mac OS as required)
2. Current supported version of Microsoft Office Suite
3. Symantec Endpoint Protection
4. Runtimes (Java, Adobe, Adobe Flash, Adobe Shockwave)
5. Internet Browsers (Microsoft Explorer, Google chrome, Apple Safari)

Additional Peripheral Devices

Standard desktop configuration will include a workstation/CPU, monitor, keyboard and mouse. Standard laptop configurations will only include the laptop. External monitors may be supplied depending on availability in redistribution. Laptop setups do not include carrying cases, docking stations, and monitor stands.

Employee Purchase Option

Full-time employees will have the option of purchasing their primary computer system at time of replacement once IT identifies it as decommissioned.

Please note the following:

1. The purchase price is a flat fee of \$150.00 plus sales tax and is payable at the Auditor's Office.
2. User is responsible for ensuring all data has been backed up from the PC or laptop.
3. All computers that have been decommissioned where the employee has elected to purchase must be processed through IT Help Desk and will be re-built with a basic operating System installed.
4. Once a computer has been identified as decommissioned, it will no longer be supported by Information Technology or any other office at Morrow County.
5. All computers that have been purchased will need to be removed from county property.
6. All such sales are "as is" and Information Technology provides no warranty.

Follow this process to purchase a decommissioned system:

- Requests by employees to purchase their decommissioned computer system must be made through Information Technology by creating a work order in FacilityDude. The work order must include the serial/tag number of the computer.
- After the work order is created, Information Technology will email the purchaser the forms and procedures to follow for the purchase. Once the computer is ready for pickup, Information Technology will contact the purchaser to coordinate the pickup

of the decommissioned computer. Upon machine pickup, purchaser must bring a copy of the completed paperwork for IT to keep to finalize transfer of ownership.

Configuration of machines that are to be sold are as follows:

1. Desktop computers will include the monitor, keyboard and mouse.
2. Laptop computers will only consist of the laptop, no external peripheral devices will be included.
3. All-in-one systems will include keyboard and mouse.

Appendix D, Resolution# 17-R-829, November 6, 2017

5.07 Use of Telephones / Personal Cellular Phones

- A. Each Appointing Authority shall determine the extent Employer-owned telephones may be used for personal use. Personal use shall not interfere with work.
- B. Employees are prohibited from making personal long distance or toll calls from County telephones, except in case of an emergency.
- C. Excessive use of County phones for personal use and/or making long distance or toll calls will result in disciplinary action in accordance with Section 7.

Section 5.07 amended 11/9/11, resolution 11-R-610

5.08 Use of Internet, E-Mail and Online Services

- A. Internet, electronic mail (hereinafter “e-mail”), and online services use can increase the productivity of employees. As is true with all Employer resources, there is potential misuse or abuse. The County and all employees must be held accountable for their use and misuse of County resources, which includes, but is not limited to, Internet, e-mail and online services access. Agency and State policies and restrictions shall apply
- B. The availability of Internet, e-mail, and online services shall be determined by the Appointing Authority. Personal use shall not interfere with work. When appropriate material from the Internet, e-mail, or other online service is downloaded, it should be scanned using the County’s anti-virus software. The following uses by employees are strictly prohibited:
 - 1. Uses that interfere with normal business activities;
 - 2. Any use involving solicitations;
 - 3. Uses that are connected with a business activity that operates for profit;
 - 4. Employee use for the purpose of operating a business for personal gain;
 - 5. Sending chain letters;
 - 6. Soliciting money for religious or political organizations or causes;
 - 7. Uses that involve the transmittal, downloading, or printing of obscene, pornographic, threatening, or racially, sexually, or religiously harassing materials;
 - 8. Distribution or printing of copyrighted materials, including articles and software, in violation of copyright laws and uses that would violate any federal, state, or local laws;
 - 9. Any use that could possibly bring embarrassment or harm to the County; and
- C. No employee shall provide access to confidential information through the Internet, e-mail, or online services. No employee shall use the Internet, e-mail, or online services of any other employee without authorization. All employees of the COUNTY shall use all reasonable safeguards when using the Internet, e-mail, or on-line services to avoid mistaken distribution on another’s information. Employees are hereby put on notice that all Internet browsers furnish a trail that traces all sites visited by the user of that computer terminal. The Employer may

access this trail and monitor employee Internet and e-mail use as it considers appropriate. In addition, employees must disclose their Internet and e-mail passwords to their supervisor. The Employer may access and monitor employee Internet, e-mail, and other online uses by employees as it considers appropriate.

Section 5.08 amended 11/9/11, Resolution 11-R-610

- E. Employees who improperly use the Internet, e-mail, and other online services in violation of the policy will be subject to discipline, up to and including termination. Violation of this policy may also result in criminal prosecution.

5.09 COUNTY Assigned Cellular Phones

A. General Policy. Employees enjoy no expectation of privacy with respect to online activity, phone calls, texting, photos, etc., stored on an Employer-owned cell phone. Cellular phones are provided by the Appointing Authority and to selected staff. The primary function of these phones is to provide communication capabilities and safety. In order to obtain maximum utility of this equipment and maintain efficient skill levels, staff is encouraged to use the phones during daily operations. Since the contract with the service provider has a limited amount of plan time, staff are cautioned to monitor cell phone use to prevent costly overages in the time parameters allotted.

B. Daily Operations

1. Employees are encouraged to use their cell phone to maintain communications with the office, personnel when in the field and /or performing daily work functions. An important reason for the issue of a cell phone to an employee is safety and efficiency of work functions. When performing work functions, and traveling, the cell phone provides quick contact with the office or authorities.
2. To assure safe, efficient and responsible use of the cell phone, the following guidelines are to be observed:
 - a. Lost, stolen, or irreparably damaged cell phones must be replaced at the employee's expense.
 - b. All employees must sign a cell phone policy acknowledgement.
 - c. When in a car, use extreme caution using your cell phone.
 - d. If you cell phone rings while driving, use extreme caution while answering.
 - e. It is the employee's responsibility to understand the features and conditions of his or her cell phone.
 - f. The Appointing Authority or the Appointing Authority's designee may choose to revoke cell phone privileges at his or her discretion.

C. Emergency Response. Another important use of the cell phone is to provide communications for emergency response activities. Therefore, each staff member who is issued a COUNTY cell phone has the following responsibilities:

1. Appointing Authority, Administrator.

Section 5.09 amended 11/9/11, Resolution 11-R-610

- a. The cell phone must be maintained and properly charged at all times.
- b. All necessary numbers should be properly programmed into the cell phone.
- c. With the exception of vacation or sick/administrative leave, all of the above must be reachable by home or cell phone 24 hours per day, seven days per week. When on leave, designees must be assigned to cover the above positions. These designees must then have 24 hours, seven days per week availability.

2. Staff.

- a. The cell phone must be maintained and properly charged at all times.
- b. All necessary numbers should be properly programmed into the cell phone.
- c. Employees must be reachable by cell phone during normal business hours (7:00am to 4:30pm), and 24 hours per day, seven days per week when on call.
- d. While staff-level employees are not required to carry their phones with them after hours, they are required to have the phones available after hours for emergency response activities.

D. Personal Use. All COUNTY employees shall limit personal use of their cell phone during or after hours. Such use should be kept within contract constraints.

1. Employees are expected to remain under his or her respective plan's designated minutes and conditions.
2. If the cell phone plan's conditions are exceeded, the employee must reimburse COUNTY.
3. Any lost phone shall be reported immediately to the employee's supervisor.

E. Each Appointing Authority shall monitor cellular phone use for compliance with this policy.

5.10 Timekeeping / Scotland Yard (Applicable by approval of individual Appointing Authorities)

A. Entering and Leaving the Office. By 8:15 am or within 15 minutes of the employee's designated start time, each employee will sign in to (a) the "Daily Sign-in Log" and (b) Scotland Yard. If an employee will not arrive by their scheduled start time, they must contact their supervisor, the Appointing Authority, or, in the absence of their supervisor, an alternate supervisor within 15 minutes of their scheduled start time and inform the contact of their status (i.e. sick, stopping by a client's home, etc.).

1. Each supervisor shall review Scotland Yard by 8:30 each day to determine the status of their staff. If any staff scheduled and expected to be in the office is unaccounted for, the supervisor shall locate that employee.
 2. Each supervisor will regularly check Scotland Yard to determine the status of all staff. If a supervisor determines that any staff member is passed their Estimated Time of Arrival (“ETA”), they will inform that employee’s immediate supervisor. If the employee’s immediate supervisor is not available, an available supervisor will take steps to determine the status of the employee.
 3. Each supervisor will designate another staff member who is not regularly in the field to fill this role in the event that the supervisor is out of the office, unavailable or unable to fulfill the duties.
- B. Scotland Yard. Staff will update Scotland Yard when they enter the office, leave the office or go in to a meeting. Prior to leaving the office for the day, employees shall update their status in Scotland Yard and indicate what time they are expected to arrive at the office the following work day.
1. If an employee is away from the office longer than expected, they will call within 30 minutes of their ETA, as entered into Scotland Yard, to speak to a supervisor, administrator or administrative assistant to inform them of the delay and provide a revised ETA. The informed individual will then update the employee’s ETA in Scotland Yard.

5.11 Expense Reimbursement

A. General.

1. Employees may be entitled to reimbursement for expenses incurred while conducting official COUNTY business. Employees are eligible for expense reimbursement only when the expense has been pre-authorized in writing by the Appointing Authority.
2. Employees must use their most prudent and professional judgment in incurring expenses. County employees are accountable to the taxpaying public and must use those funds wisely. Any abuse of this policy by an employee may jeopardize approval of future expense reimbursement requests and may also result in discipline.
3. Requests for reimbursement of travel expenses are to be made by the employee on a COUNTY expense reimbursement form within seven (7) days after returning. (Utilize [Form 24 – Travel Expense Voucher](#)) All receipts as well as a certificate of attendance (if applicable) must be submitted. Adequate documentation for all business related expenses is required as a condition of reimbursement. An expense voucher, along with any supporting documentation such as lodging invoices, odometer readings and meal receipts must be provided in order to receive reimbursement.

B. Accountable Plan. The Employer maintains this Expense Reimbursement policy in order to meet the requirements of an “accountable plan” under Internal Revenue Service (IRS) Regulations. Under an accountable plan, reimbursements for business related expenses are not required to be reported as income to the employee. Under an accountable plan, the allowances or reimbursements must meet three (3) requirements.

1. Expenses must have a business connection. Namely, the employee must have paid or incurred deductible expenses while performing services for the Employer.
2. The Employee must adequately account for the expenses within a reasonable amount of time.
3. The Employee must return any excess reimbursement or allowance within a reasonable period of time

Any expenses that fail to meet all three (3) rules for the accountable plan must be treated as income to the employee and reported to the IRS on form W-2 (subject to withholding of employment taxes.) or Form 1042-S (subject to Section 144 (withholding), as applicable.

C. Transportation Expenses.

1. Mileage Expenses

- a. Whenever possible, the Appointing Authority will assign a COUNTY vehicle for travel to and from meetings, conferences and conventions. If no COUNTY vehicle is available, then an employee may be required to use his or her privately owned vehicle.
- b. Mileage reimbursement for travel in privately owned vehicles will be at the IRS mileage rate at the time of travel. Such payment is to be a total reimbursement for all vehicle-related expenses with the exception of tolls and parking related expenses, which may be claimed upon submission of receipts.
- c. No reimbursement for mileage will be made unless an employee carries automobile/liability insurance on his or her vehicle as required by the liability carrier for the COUNTY.
- d. When two (2) or more employees are traveling to the same destination, they should travel together in the same vehicle and only one (1) may claim mileage reimbursement.
- e. Commuting expenses from an employee’s residence to their official work site are not reimbursable.

2. Air Travel. In any instance where air travel is less expensive than mileage for a privately owned vehicle or expense for a COUNTY vehicle, then air travel shall be used. Such flights shall be 2nd class or coach, and to the most direct airport. Tickets shall be ordered by the employee, and upon submitting a receipt, be paid by the COUNTY in advance of the travel. A COUNTY credit card can be used for holding hotel rooms or purchasing airline tickets.

D. Lodging Expenses.

1. Employees will be reimbursed in full for expenses covering the actual cost of lodging, plus tax, per night when the employee travels out of county on official COUNTY business.
2. No reimbursement will be made for lodging within Morrow County or within the employee's county of residence.
3. The Employer will only reimburse for a single occupancy room, unless two (2) employees share a room. Additionally, if a non-employee accompanies an employee on an overnight stay, all expenses of the non-employee are the obligation of the employee and not the COUNTY.
4. Only COUNTY related telephone calls will be reimbursed.
5. No reimbursement will be made for extra hotel charges, including but not limited to entertainment, in-room movies, restocking of in-room snacks, room service, dry-cleaning or laundry charges.

E. Meal Expenses.

1. General. Meal costs incurred in connection with official COUNTY business are generally reimbursable. Reimbursements are limited to actual meal costs plus a reasonable tip. Reimbursement cannot exceed the maximum daily meals rate which is determined by the Employer.

IRS Publication 463 requires separate treatment of meal reimbursements made in connection with an overnight stay than for meal reimbursements made for day trips. The remainder of this section has been organized to reflect this distinction.

2. Meal Expenses from Trips Requiring An Overnight Stay.
 - a. General. For meals associated with an overnight stay are generally reimbursable to the employee.
 - b. Reimbursement Limitations. To the lesser of:
 - i. The actual costs incurred or
 - ii. The maximum meal rate, as determined by the Employer.
 - c. Taxation Issues. IRS Publication 463 considers reimbursement of meals associated with necessary overnight stays to be deductible business expenses and not subject to taxation as wages.
3. Meal Expenses from Day Trips.
 - a. General. Reimbursements for meals associated with trips that do not require an overnight stay are generally reimbursable to the employee, providing the day trip:
 - i. Was for official COUNTY business and

- ii. Prevented the employee from returning to their home or office in a reasonable amount of time.
 - b. Reimbursement Limitation. Meal reimbursement is limited to the lesser of
 - i. The actual costs incurred or
 - ii. The maximum meal rate.
 - c. Taxation Issues. IRS Publication 463 considers reimbursement of meals associated with trips not requiring an overnight stay to be taxable wages and subject to applicable payroll taxes unless the meal is in conjunction with a “business meeting” as defined by the IRS.
 - i. Meals associated with a “business meeting” – Generally, if an employee is acting as an official representative of the County and is discussing County business with representatives of State government, employees of other agencies, with private consultants, with prospective employees etc. then the meal is considered to be associated with a business meeting and therefore not considered taxable wages.
 - ii. Other meals associated with day trips – All meals associated with day trips that do not meet the “business meeting” exception above are considered taxable wages. Casual meals in route to or from seminars or business meetings fall into this category and are therefore taxable and reported on the employee’s Form W-2.
- F. Other Incidental Expenses. Miscellaneous travel expenses (i.e. parking, tolls, gasoline expenses, fees and tips, etc.) are reimbursable provided they are necessary and reasonable and adequately documented by the employee.
- G. Non-Reimbursable Expenses. The following is a list of non-reimbursable expenses. The list is not all-inclusive:
 - 1. Alcoholic Beverages
 - 2. Commuting expenses
 - 3. Entertainment
 - 4. Parking tickets / fines
 - 5. Spousal / Family travel
 - 6. Travel Insurance
 - 7. Personal telephone calls
 - 8. Late Check out fees
- H. Travel Advances. Travel advances are permitted when payment for fraud-related expenses will create a financial hardship for the employee. All requests for advances must be approved by the Appointing Authority or his designee.

- I. Tool Allowance. Mechanics receive a tool allowance at the rate of \$25.00 per pay period. The tool allowance is taxable income and will be included on the employees W-2. The employee will need to provide his or her supervisor with receipts showing tool purchases equal to the amount of his allowance. The supervisor will track providing quarterly reports to the employee and fiscal department.
- J. Uniforms. Designated Employees are required to wear uniforms provided by the agency. The cost of these uniforms is considered by the Internal Revenue Service to be taxable income. Taxes will be withheld from the employee's pay and included on his W-2.

If, within 30 days after issuance of the written notice, the County treasury is not reimbursed for the amount shown on the written notice, the Prosecuting Attorney of the County shall recover that amount from the employee or Appointing Authority who is liable under this section by civil action in any court of appropriate jurisdiction.

5.15 PROCUREMENT CARD PROGRAM (Approved August 19, 2015, Resolution 15-R-524)

Background

Procedure cards are designed to make small-dollar purchases in manner that reduces paperwork and processing time. This program is an alternative to the traditional purchasing process and can reduce the number of purchase orders and payments processed. The procurement card program is not intended to and pursuant to ORC 30.29(E)(3), shall not be used to avoid or bypass the competitive bid requirements of ORC 307.86. Further, the procurement card program is not intended to avoid or bypass the requisite appropriation of funds process, approval process or payment process. Rather, the program compliments the established and existing processes.

Authority

Ohio Revised Code (ORC) Section 301.29 permits counties to use procurement cards. The Board of County Commissioners, with the advice of the County Auditor, shall formulate the policy for the use of the cards. The policy, which will be adopted by the Board through resolution, shall set limits for, among other things, spending, card activity and allowable expenditures. It shall also establish administrative controls that the Board determines will be sufficient for use of a procurement card, after consulting with the County Auditor. The County Auditor shall develop internal accounting controls in consultation with the Auditor of State.

Policies and Procedures

1. Selection of the procurement card Provider: The procurement card provider will be selected consistent with legal requirements and is subject to the County's competitive bid process. Other considerations which will be considered are convenience of use, store location and type and quantity of items normally purchased during the normal course of business.

The Board of County Commissioners with advice of the County Auditor and Treasurer shall determine whether to contract with any one or more issuers that meet the needs of the County.

2. Agency's policies: Pursuant to ORC 301.29(F)(2), an elected official, the Department Head or the Board of a County Agency may apply to the Board of County Commissioners for authorization to have a procurement card held by that appointing authority or Board of a County Agency to pay for specific classes of work-related expenses. The County Commissioners with the County Treasurer shall negotiate and coordinate with the contracted Provider.
3. Designation of the program contact and agency coordinators: The Board of County Commissioners has appointed the Treasurer as the primary point of contact with the Provider for the procurement card program. The County Treasurer will be responsible for the ordering and distributing of cards, troubleshooting problems encountered with card use or vendor authorization and reissuing lost or stolen cards. The County Auditor shall be appointed as the compliance point of contact for program and responsible for

communication and coordination with department Coordinators as it relates to expenditure eligibility and compliance with accounting procedures.

In addition, each County office or agency that participates in the procurement card program will name a program coordinator for their respective office or agency (“Coordinator”). The Coordinator will be responsible for; processing cardholder applications, suspensions and cancellations, resolving disputes with merchants, reviewing and reconciling card activity and maintaining cardholder profiles for the agency’s card(s).

4. Establishment of card limits: Individual procurement cards are subject to the following maximum limits:

- | | |
|---|----------|
| 1. Daily spending per card: | \$5,000 |
| 2. Monthly spending per card: | \$10,000 |
| 3. Single transaction limit | \$5,000 |
| 4. Daily number of transactions per card: | 10 |
| 5. Monthly number of transactions per card: | 50 |

Purchases may not be split to bypass the single transaction limit. Deviations from these limits are only permissible with written authorization from the County Commissioners.

5. Designation of allowed transactions: The card may be appropriately used to purchase the following:

- Office supplies
- Computer supplies, software
- Building maintenance materials and supplies

- Items to be used by social services agencies in the normal course of business

No late charges or finance charges shall be allowed as an allowable expense unless authorized by the Board of County Commissioners. **All purchases are Tax Exempt: therefore no Ohio Sales Tax shall be paid.**

6. Application for procurement card and subsequent profile changes: The Coordinator will prepare the application, obtain written approval of the proposed cardholder as well as the elected official, Department Head or Board of the County Agency and forward it to the Board of County Commissioners for their approval. Consistent with sections 4 and 5 above, the application should specify monetary and transaction limits.

After the applications is approved, the Coordinator will submit the application to the Treasurer who will assign a card number. The card will be issued in the designated individual’s name, with the appointing authority’s or Board of a County Agency’s name clearly indicated as the buyer on the card.

Any changes or updates to a cardholder's name, spending limits or merchant commodity codes should be initiated by the Coordinator, approved by the elected official, the top executive of the agency or Board of a County Agency and submitted to the Board of County Commissioners for their approval and changes shall be communicated to the County Treasurer and County Auditor.

7. Making purchases; record-keeping.

a. Purchase orders: An encumbrance must be established and the purchase order amount should be set based on the monetary and transaction limits established for the card and projected spending. This helps ensure that expenditures do not exceed available appropriations.

b. Original receipts: When making a purchase, the cardholder shall obtain and retain the original receipt. Every effort should be made to ensure that the receipt contains the vendor's name, date of purchase, itemized description of purchase, per unit price and extended price. The cardholder will match and attach receipts to billing statements as part of the account reconciliation. **A cardholder will be held personally liable for missing receipts and may be required to reimburse the county for those billed purchases for which a receipt is not or cannot be produced.**

c. Internet, telephone and fax purchases: Procurement cards may be used to purchase goods over the Internet, telephone or fax. These purchases must be evidenced by written order confirmation along with either the original packing slip that accompanied the purchased goods or an itemized receipt.

Cardholders will be held responsible for all orders placed, even those with vendors that turn out not to be legitimate businesses.

The cardholder should inform the vendor that the purchase will be paid through the County procurement card and that the purchase is tax exempt. No Ohio Sales Tax shall be paid and No late charges or finance charges shall be allowed as an allowable expense.

8. Account reconciliation and payment of procurement card billing: Each Coordinator will receive a statement identifying all transactions made during the billing cycle. The Coordinator will reconcile the statement's accuracy against the receipts. Payment cannot be made until the Coordinator confirms receipt of the goods or services.

The appointing authority or their designee is responsible for reviewing the appropriateness of purchases made with the card and for approving each statement for each card under their supervision.

The approval must be evidenced by the approver's signature. Once approved for payment, the agency must submit the original statement and supporting receipts with the voucher for payment. The County Auditor shall review, approve and issue payment

either by warrant or electronically or deny and return to the Coordinator for lack of complete documentation or ineligible expenditures.

9. Lost or stolen cards: If the card is lost or stolen, the cardholder must notify the card issuer immediately to block further use of the card. The cardholder must confirm the phone call by written notification to the card issuer via mail or fax, with copies to the Coordinator and the County Treasurer and Auditor. The date and time of the phone report of the lost or stolen card should be included in the written notification. The County Treasurer will initiate issuance of a replacement card.
10. Suspension or cancellation of card: When and if necessary, the Cardholder or Coordinator will initiate suspension or cancellation of the card and will notify the County Treasurer and Auditor that such action has been taken.

6.04 Sick Leave

- A. Accrual. Each employee shall be entitled to four and six-tenths (4.6) hours of paid sick leave upon completion of each eighty (80) hours of service with a maximum accumulation of 120 hours per year. This accrual rate will be prorated for employees who are otherwise eligible for sick leave and who work more or less than eighty (80) hours in a bi-weekly pay period. Employees absent on paid sick leave will be paid at their regular rate of pay. Unused sick leave shall be cumulative without limit.
- B. Reasons for Leave. Sick leave is a benefit provided to public employees to aid them in offsetting the financial burden of an illness. Employees are expected to be in attendance daily and sick leave is to be used only for those reasons set forth below. An employee may submit a request for sick leave for the following reasons:
1. Illness, injury, or pregnancy-related condition of the employee, or of a member of the employee's immediate family where the employee's presence is reasonably necessary for the health and welfare of the affected family member.
 2. Exposure of an employee to a contagious disease which could be communicated to and jeopardize the health of other employees.
 3. Examination of the employee, including medical, psychological, dental, or optical examination, by an appropriate licensed practitioner.
 4. Death of a member of the employee's immediate family. Such usage shall be limited to a reasonably necessary time beyond any bereavement leave benefit, not to exceed three days if funeral takes place in state and five days if the funeral is out of state.
 5. Illness, injury, or pregnancy-related condition of a member of the employee's immediate family where the employee's presence is reasonably necessary for the health and welfare of the employee or affected family member.
 6. Examination, including medical, psychological, dental, or optical examination, of a member of the employee's immediate family by an appropriate licensed practitioner where the employee's presence is reasonably necessary.
- C. Physician's Excuse. A satisfactory physician's certificate will be required in each case when an employee has been absent more than three (3) consecutive days. The physician's certificate must be submitted upon the employee's return to work from leave. The physician's certificate must be signed personally by the treating physician, and must verify that the employee was unable to work during the period in question, not simply

that the employee was “under the doctor’s care.” The Employer shall have the right to require a satisfactory physician’s certificate for absences fewer than three (3) consecutive days if this action serves to verify the proper use of sick leave. The Employer may also require an employee to be examined by a physician selected by the Employer in order to verify the proper use of sick leave. The Employer will pay for such an examination.

- D. Notification. An employee requesting sick leave shall inform his supervisor of the request and the reason for the request within one-half (1/2) hour after his scheduled starting time on each day of the absence. This requirement may be waived if the employee is hospitalized or has provided a physician’s statement containing an expected date of return. Absent an emergency, the employee may not have family members or friends make the call on their behalf, or leave voice mail messages or messages with co-workers in lieu of speaking with their supervisor. If the employee’s supervisor is not available at the time of the call, the employee may telephone another supervisor or the Administrator. Failure to comply with these notification procedures may result in denial of sick leave for the period of absence, and such disciplinary action as may be appropriate.
- E. Use of Other Leave. Vacation leave and compensatory time may be used for sick leave purposes, at the employee’s request and with the approval of the Employer, after sick leave is exhausted. Employees who have exhausted all paid sick leave, vacation leave and compensatory time may, at the sole discretion of the Employer, be granted a personal leave of absence without pay for a period not to exceed six (6) months in accordance with Section 6.07.
- F. Misrepresentation. An employee who fraudulently obtains sick leave, who falsifies sick leave requests, documentation, or records, who misrepresents the grounds for a sick leave request, or who uses sick leave for improper purposes, shall be subject to disciplinary action up to and including termination. Further, an employee may be disciplined for excessive sick leave use in appropriate cases, whether or not the employee has exhausted all available paid sick leave. Determinations of sick leave abuse shall be based on indications of inappropriate use of the leave or the inability of the employee to perform the essential functions of the employee’s position. Employees are expressly prohibited from engaging in either of the following during a paid or unpaid sick leave:
1. Paid employment of any kind, or
 2. Other activities, whether or not paid, that are inconsistent with the claimed inability to work or the claimed need to care for a seriously ill member of the immediate family.
- G. Investigation. The Employer may investigate any use of sick leave when it has reason to believe that an employee may be abusing sick leave and/or not using sick leave for its intended purposes. Intentional misuse of sick leave will be considered theft of public funds and just cause for termination. Altering a physician’s certificate or falsification of a written, signed leave statement shall be cause for immediate dismissal.

- H. Transfer of Accrued Leave. Employees who transfer between county offices or agencies, or from another public agency, or who are reappointed or reinstated, will be credited with the unused balance of accumulated sick leave provided the time between separation, reappointment, or transfer does not exceed ten (10) years and the employee has not received a refund from PERS. The phrase “public agency”, as used above, includes the State, counties, municipalities, all boards of education, libraries, townships, and other public appointing authorities within the State of Ohio.
- I. Family Defined. “Immediate family” for purposes of this policy includes: spouse, children, grandchildren, parents, grandparents, siblings, aunts, uncles, brother-in-law, sister-in-law, daughter-in-law, son-in-law, father-in-law, mother-in-law, step-parents, step-children, step-siblings, and a legal guardian or other person who stands in the place of a parent to the employee.
- J. Increments of Use. Sick leave shall be charged in minimum increments of one-half (½) hour. When sick leave is used it shall be deducted from the employee’s credit on the basis of one hour of sick leave for every one hour of absence from previously scheduled work. Sick leave payments shall not exceed the normal scheduled workday or workweek earnings. Employees may utilize sick leave only for the hours and days on which they are scheduled to work.
- K. Payment at Retirement. Upon retirement from active service with the COUNTY , an employee who has ten (10) or more years of service with the state, political subdivision, or any combination thereof, shall be paid in cash for one-quarter (1/4) the value of the employee’s accrued but unused sick leave credit. The maximum aggregate payment to the employee shall not exceed the value of two hundred and forty (240) hours of accrued but unused sick leave. The payment shall be based on the employee’s rate of pay at the time of retirement.

6.05 Family and Medical Leave

The purpose of this section is to comply with the Family Medical Leave Act, as it may be amended from time to time.

A. **Statement of Policy.**

Eligible employees may request time off for family and/or medical leave of absence with job protection and no loss of accumulated service provided the employee meets the conditions outlined in this policy and returns to work in accordance with the Family and Medical leave Act of 1993.

- B. Definitions. As used in this policy, the following terms and phrases shall be defined as follows:

1. “Family and/or medical leave of absence”. An approved absence available to eligible employees for up to twelve (12) weeks of unpaid leave per year under particular circumstances. Such leave may be taken only for the following qualifying events:
 - a. Upon the birth of an employee’s child and in order to care for the child;
 - b. Upon the placement of a child with an employee for adoption or foster care;
 - c. When an employee is needed to care for a family member who has a serious health condition; or
 - d. When an employee is unable to perform the functions of his or her position because of the employee’s own serious health condition.
 - e. Qualifying service member leave.
2. Service Member Leave: The spouse, parent or child of a member of the U. S. military service is entitled to twelve (12) weeks of FMLA leave due to qualifying exigencies of the service member being on “covered active duty” or receiving a “call to covered active duty.” In addition, a spouse, child, parent or next of kin (nearest blood relative) of a service member is entitled to up to twenty-six (26) weeks of leave within a “single twelve (12)-month period” to care for a service member with a “serious injury or illness” sustained or aggravated while in the line of duty on active duty. The “single twelve (12)-month period” for leave to care for a covered service member with a serious injury or illness begins on the first day the employee takes leave for this reason and ends twelve (12) months later, regardless of the twelve (12) month period established for other types of FMLA leave.
3. “Per year”: A rolling twelve (12) month period measured backward from the date an employee uses any leave under this policy. Each time an employee takes leave, the employer will compute the amount of leave the employee has taken under this policy, and subtract it from the twelve (12) weeks of available leave. The balance remaining is the amount the employee is entitled to take at the time of the request. For example, if an employee used four (4) weeks of FMLA leave beginning February 4, 2009, four weeks beginning June 1, 2009, and four weeks beginning December 1, 2009, the employee would not be entitled to any additional leave until February 4, 2010.
4. “Serious Health Condition”: Any illness, injury, impairment, or physical or mental condition that involves:
 - a. Inpatient care.
 - b. any period of incapacity of more than three consecutive calendar days that also involves:
 - i. Two or more treatments by a health care provider, the first of which must occur within seven (7) days of the first day of incapacity and both visits must be completed within thirty (30) days; or
 - ii. Treatment by a health care provider on one occasion that results in a regimen of continuing treatment under the supervision of a health care provider.
 - c. Any period of incapacity due to pregnancy or for prenatal care.

- d. A chronic serious health condition which requires at least two “periodic” visits for treatment to a health care provider per year and continues over an extended period of time. The condition may be periodic rather than continuing.

3. Work at a location where the Employer employs fifty (50) or more employees within a seventy-five (75) mile radius.
 - a. The entitlement to FMLA leave for the birth or placement for adoption or foster care expires at the end of the twelve (12) month period following such birth or placement.
 - b. Spouses who are both employed by the agency are jointly entitled to a combined leave total of twelve (12) weeks (rather than twelve (12) weeks each) for the birth of a child, upon the placement of a child with the employees for adoption or foster care, and for the care of certain family members with serious health conditions.

D. Use of Leave

The provisions of this policy shall apply to all family and medical leaves of absence as follows:

1. Generally: An employee is only entitled to take off a total of twelve (12) weeks of leave per year under the FMLA. As such, employees will be required to utilize their accumulated unused paid leave (sick, vacation, etc.) in conjunction with their accumulated unused unpaid Family Medical Leave. Employees will be required to

use the type of accumulated paid leave that best fits the reason for taking leave and must comply with all procedures for requesting that type of leave as stated in the relevant policy. Any time off that may legally be counted against an employee's twelve (12) week FMLA entitlement will be counted against such time.

2. **Birth of an Employee's Child:** An employee who takes leave for the birth of his or her child must first use all available accrued paid vacation leave prior to using unpaid leave for the remainder of the twelve (12) week period. However, if the employee requests leave for the employee's own serious health condition as a result of the pregnancy or post-partum recovery period, the employee will be required to exhaust all of her sick leave prior to using unpaid leave for the remainder of the twelve (12) week period. *(Note: see section E below for information on disability leaves.)*
3. **Placement of a Child for Adoption or Foster Care:** an employee who takes leave for the placement of a child for adoption or foster care must first use all available accrued paid vacation leave prior to using unpaid leave for the remainder of the twelve (12) week period.
4. **Employee's Serious Health Condition or Family Member's Serious Health Condition:** An employee who takes leave because of his serious condition or the serious health condition of his family member must use all available accrued paid sick and vacation leave prior to using unpaid leave for the remainder of the twelve (12) week period.

E. FMLA and Disability/Workers' Compensation.

An employee who is eligible for FMLA leave because of his own serious health condition may also be eligible for workers' compensation if the condition is the result of workplace accident or injury. Regardless of whether the employee is using worker's compensation benefits, the Employer may designate the absence as FMLA leave, and count it against the employee's twelve (12) week FMLA entitlement if the injury or illness constitutes a serious health condition under the FMLA. In addition, as these may be compensated absences, if the employee participates in the worker's compensation program, the employee is not eligible to use paid leave of any type (except as supplemental benefits, if applicable and requested by the employee), nor can the employer require him to do so, while the employee is receiving compensation from such a program.

F. Procedures for Requesting FMLA Leave.

Requests for FMLA leave must be submitted in writing at least thirty (30) days prior to taking leave or as soon as practicable prior to the commencement of the leave. If the employee fails to provide thirty (30) days notice for foreseeable leave with no reasonable excuse for the delay, the leave may be denied until at least thirty (30) days from the date

the employer receives notice. The employee must follow the regular reporting procedures for each absence.

FMLA requests must be submitted on a standard leave form prescribed by the Employer. The Employer will determine whether the leave qualifies as FMLA leave, designate any leave that counts against the employee's twelve (12) week entitlement, and notify the employee that the leave has been so designated.

When an employee needs foreseeable FMLA leave, the employee shall make a reasonable effort to schedule the treatment so as not to unreasonably interfere with the Employer's operations.

G. Certification of Need for FMLA Leave for Serious Health Condition.

An employee requesting FMLA leave due to his family member's serious health condition must provide a doctor's certification of the serious health condition, which must designate that the employee's presence is reasonably necessary. Such certification shall be submitted at the time FMLA leave is requested, or if the need for leave is not foreseeable, as soon as practicable. An employee requesting FMLA leave due to the birth or placement of a child must submit appropriate documentation at the time FMLA leave is requested.

The Employer, at its discretion, may require the employee to sign a release of information so that a representative other than the employee's immediate supervisor can contact the medical provider. If the medical certification is incomplete or insufficient, the employee will be notified of the deficiency and will have seven (7) calendar days to cure the deficiency.

The Employer may require a second medical opinion prior to granting FMLA leave. Such opinion shall be rendered by a health care provider designated or approved by the Employer. If a second medical opinion is requested, the cost of obtaining such opinion shall be paid for by the Employer. If the first and second opinions differ, the Employer, at its own expense, may require the binding opinion of a third health care provider approved jointly by the employer and the employee. Failure or refusal of the employee to submit to or cooperate in obtaining either the second or third opinions, if requested, shall result in the denial of the FMLA leave request.

Employees who request and are granted FMLA leave due to serious health conditions may be required to provide the Employer periodic written reports assessing the continued qualification for FMLA leave. Further, the Employer may request additional reports if the circumstances described in the previous certification have changed significantly (duration or frequency of absences, the severity of the condition, complications, etc.), or if the employer receives information that casts doubt on the employee's stated reason for the absence. The employee must provide the requested additional reports to the Employer within fifteen (15) days.

H. Certification for Leave Taken Because of a Qualifying Exigency.

The Employer may request that an employee provide a copy of the military member's active duty orders to support the request for qualifying exigency leave. Such certification for qualifying exigency leave must be supported by a certification containing the following information: statement or description of appropriate facts regarding the qualifying exigency for which leave is needed; approximate date on which the qualifying exigency commenced or will commence; beginning and end dates for leave to be taken for a single continuous period of time; an estimate of the frequency and duration of the qualifying exigency if leave is needed on a reduced scheduled basis or intermittently; appropriate contact information for the third party if the qualifying exigency requires meeting with a third party and a description of the meeting; and, if the qualifying exigency involves rest and recuperation leave, a copy of the military member's Rest and Recuperation orders, or other documentation issued by the military which indicates the military member has been granted Rest and Recuperation leave, and the dates of the military member's Rest and Recuperation leave.

I. Intermittent/Reduced Schedule Leave.

When medically necessary, an employee may take FMLA leave on an intermittent or reduced work schedule basis for a serious health condition. An employee may not take leave on an intermittent or reduced schedule basis for either the birth of the employee's child or upon the placement of a child for adoption or foster care with the employee unless specifically authorized in writing by the Elected Official. Requests for intermittent or reduced schedule FMLA leave must be submitted in writing at least thirty (30) days prior to taking leave, or, as soon as practicable.

To be entitled to intermittent leave, the employee must, at the time such leave is requested, submit additional certification as prescribed by the employer establishing the medical necessity for such leave. This shall be in addition to the documentation certifying the condition as FMLA qualifying. The additional certification shall include the dates and the duration of treatment, if any, the expected duration of the intermittent or reduced schedule leave, and a statement from the health care provider describing the facts supporting the medical necessity for taking FMLA leave on an intermittent or reduced schedule basis. In addition, an employee requesting foreseeable intermittent or reduced schedule FMLA leave may be required to meet with the Executive Assistant or designee to discuss the intermittent or reduced schedule leave.

An employee who requests and is granted FMLA leave on an intermittent or reduced schedule basis may be temporarily transferred to an available alternative position with equivalent class, pay, and benefits if the alternative position would better accommodate the intermittent or reduced schedule. An employee who requests intermittent or reduced

schedule leave due to foreseeable medical treatment shall make a reasonable effort to schedule the treatment so as not to unduly disrupt the Employer's operations.

J. Employee Benefits.

Except as provided below, while an employee is on FMLA leave, the Employer will continue to pay its portion of premiums for any life, medical, dental and vision insurance benefits under the same terms and conditions as if the employee had continued to work throughout the leave. The employee continues to be responsible for the payment of any contribution amounts he would have been required to pay had he not taken the leave, regardless of whether the employee is using paid or unpaid FMLA leave. Employee contributions are subject to any change in rates that occurs while the employee is on leave.

The Employer will not continue to pay the employer portion of premiums for any life, medical, dental and vision insurance benefits if, while the employee is on FMLA leave, the employee fails to pay the employee's portion of such premiums or if the employee's payment for his portion of the premium is late by more than thirty (30) days. If the employee chooses not to continue health care coverage during FMLA leave, the employee will be entitled to reinstatement into the benefit plan upon return to work.

If the employee chooses not to return to work for reasons other than a continued serious health condition or circumstances beyond the employee's control, the Employer may seek reimbursement from the employee for any amounts paid by the Employer for insurance benefits the employee received through the employer during any period of unpaid FMLA leave. Leave balances accrued by an employee prior to taking FMLA leave and not used by the employee as outlined in the section entitled "Use of Leave" will be retained by the employee.

FMLA leave, whether paid or unpaid, will not constitute a break in service. Upon the completion of unpaid FMLA leave and return to service, the employee will return to the same level of service credit as the employee held immediately prior to the commencement of FMLA leave. In addition, FMLA leave will be treated as continuous service for the purpose of calculating benefits which are based on length of service. However, specific leaves times (i.e. sick, vacation, and personal leave and holidays) will not accrue during any period of unpaid FMLA leave.

K. Reinstatement.

An employee on FMLA leave must give the Employer at least two business days notice of his intent to return to work, regardless of the employee's anticipated date of return. Employees who take leave under this policy will be reinstated to the same or a similar position upon return from leave except that if the position that the employee occupied prior to taking FMLA leave is not available, the employee will be placed in a position which entails substantially equivalent levels of skill, effort, responsibility, and authority

and which carries equivalent status, pay, benefits, and other terms and conditions of employment as the position the employee occupied prior to taking FMLA leave. The determination as to whether a position is an “equivalent position” will be made by the Employer.

An employee will not be laid off as a result of exercising her right to FMLA leave. However, the Employer will not reinstate an employee who has taken FMLA leave if, as a result of a layoff within the agency, the employee would not otherwise be employed at the time reinstatement is requested. An employee on FMLA leave has no greater or lesser right to reinstatement or to other benefits and conditions of employment than if the employee had been continuously employed during her FMLA leave.

Prior to reinstatement, employees who take FMLA leave based on their own serious health condition shall provide certification from the employee’s health care provider that the employee is able to perform the essential functions of his position, with or without reasonable accommodation.

L. Records.

All records relative to FMLA leave will be maintained by the Employer as required by law. Any medical records accompanying FMLA leave requests will be kept separate from an employee’s regular personnel file. To the extent permitted by law, medical records related to FMLA leave shall be kept confidential. Records and documents created for purposes of FMLA containing family medical history or genetic information as defined by the Genetic Information Nondiscrimination Act of 2008 (GINA) shall be maintained in accordance with the confidentiality requirements of Title II of GINA, which permit such information to be disclosed consistent with the requirements of FMLA.

- A. Medical Examination. The Employer may require an employee to take an examination, conducted by an Employer-selected licensed medical practitioner, to determine the employee's physical or mental capacity to perform the essential functions of his or her position, with or without reasonable accommodation. If the employee disagrees with a determination that he or she is unable to perform the essential functions of her position with or without reasonable accommodation, the employee may request to be examined by a second licensed medical practitioner of the employee's choice at the employee's own expense. If the reports of the two licensed medical practitioners conflict, a third opinion shall be rendered by a licensed medical practitioner chosen and paid for by the Employer. The licensed medical practitioner shall limit his or her report to the issue of whether the employee is capable of performing the essential functions of their position, as defined by the Employer, with or without reasonable accommodation.
- B. Paid Leave / Voluntary Disability. If an employee, after examination, is found to be unable to perform the essential functions of her position, the employee may request use of accumulated sick leave, vacation leave and other benefits. - C. Involuntary Disability Separation. If a classified employee, found to be unable to perform the essential functions of her position, refuses to utilize her leave benefits or to agree to a voluntary disability separation, the Employer may place the employee on an involuntary disability separation. Prior to placing an employee on involuntary disability separation, the employee is entitled to a pre-separation hearing. If, after the hearing, the Employer determines that the employee is unable to perform the essential functions of her position with or without reasonable accommodation, the Employer will issue an involuntary disability separation order to be given to the employee and filed with the State Personnel Board of Review.
- D. Appeal. An employee involuntarily separated or refused reinstatement after a hearing as provided for above, has the right to appeal in writing to the State Personnel Board of Review within ten (10) days of receiving notice of separation and within thirty (30) days of receiving notice of denial of reinstatement from the Employer.
- E. Reinstatement Rights. A classified employee on a voluntary or involuntary disability separation shall retain the right to be reinstated to his or her former position, or to a similar position, for three (3) years from the date that the employee is no longer in active work status due to the illness, injury, or condition necessitating the placement into inactive status. The employee must make a written request for reinstatement from a disability separation or to a similar position. The request shall be accompanied by substantial credible evidence that the employee is once again capable of performing the material and substantial functions of her classification with or without reasonable accommodation. Time spent on previous authorized leaves of absence (including military leave) also counts. However, no vacation is earned while an employee is on leave without pay. Any person removed from public employment due to conviction of a felony, who is subsequently re-employed in the public sector, shall not be credited with prior public service for the purpose of receiving vacation leave.

C. An employee with at least one (1) year of service is entitled to payment for any earned but unused vacation credit at the time of resignation from County service.

SECTION 7

EMPLOYEE DISCIPLINE

7.01 General

A. The Employer believes a clearly written discipline policy will serve to promote fairness and equality in the workplace, and will minimize potential misunderstandings among employees in disciplinary matters. Further, the Employer believes certain basic principles, set forth below, must consistently be applied in order to effectively and fairly correct unsatisfactory job behavior.

1. Employees shall be advised of expected job behavior, the types of conduct that the Employer has determined to be unacceptable, and the penalties for such unacceptable behavior.
2. The Employer is obliged to investigate the nature of alleged infractions to determine if a violation of law or policy has occurred. Employees must provide complete and accurate information during any investigation. Immediate attention shall be given to policy infractions, unless special circumstances warrant further investigations or delay.
3. Discipline shall be applied uniformly and consistently throughout the COUNTY and any deviation from standard procedures should be well justified and documented.
4. Each offense shall be dealt with as objectively as possible.
5. Discipline should usually be progressive, but depending on the severity of the offense, may proceed immediately to termination.
6. An employee's immediate supervisor and/or the Appointing Authority shall be responsible for administering discipline.
7. An unclassified employee may be removed at any time for any or no reason, and no reason need be given.
8. An employee may be placed on Administrative leave pending a decision on discipline if the Employer deems it in the best interest of the COUNTY .

B. Ohio Revised Code Section 124.34 sets out the types of misconduct which are the legal basis for reduction, suspension, or removal of a classified employee who has completed their probationary period. Those types of misconduct are:

1. Incompetency;
2. Inefficiency;
3. Dishonesty;
4. Drunkenness;
5. Immoral conduct;
6. Insubordination;
7. Discourteous treatment of the public;
8. Neglect of duty;
9. Violation of work rules of the county or county official for whom the employee works;

10. Any other failure of good behavior, including violation of the Code of Ethics;
and
11. Any other acts of misfeasance, malfeasance, and nonfeasance.

7.02 Principles of Progressive Discipline

- A. The Employer generally follows an established system of progressive discipline when correcting job behavior. Typical disciplinary action may include reprimand, suspensions, demotions (reductions), and removals.
- B. The progressive discipline policy is established as a guide for management employees to use in administering discipline in a uniform manner. It is not, however, to be construed as a delegation of, or a limitation upon, the Employer's right to impose a different level of discipline, when circumstances warrant.
- C. This discipline policy provides standard penalties for specific offenses; however, the examples of specific offenses given in any grouping are not all-inclusive, but serve merely as a guide. The discipline policy in no way limits the statutory rights enumerated in the Ohio Revised Code.
- D. The standard penalties provided in this policy do not prevent the application of a greater or less severe penalty for a given infraction when circumstances warrant. When a penalty deviates from the recommended standard penalty, the reason for deviation should be noted.

7.03 Offenses and Penalties

The offenses set forth in Groups I, II, and III below are non-inclusive examples of misconduct which the State Personnel Board of Review has historically judged to warrant the penalties established for that group. Following each offense in parentheses are the applicable types of misconduct as stated in Revised Code Section 124.34. The following examples of specific offenses are not all inclusive, and are not intended to be binding on the Employer.

7.04 Disciplinary Procedures

Before imposing a suspension, reduction in pay, reduction in position, fine or termination, the following procedure shall apply:

A. The employee will be afforded a pre-disciplinary meeting before the Appointing Authority or his designee to explain the charges against him and to permit the employee the opportunity to respond to the charges. A written notice of the pre-disciplinary meeting shall be given to the employee who is the subject of the pending discipline. (Utilize [Form 31 – Notice of Pre-Disciplinary Conference](#)). Such notice shall be given to the employee at least twenty-four (24) hours in advance of the meeting and the notice shall contain the following information.

1. A brief summary of the allegedly improper conduct that is the subject of the pre-disciplinary charges;
2. The date, time, place of the pre-disciplinary meeting;
3. The right to have a representative of his choice present at the meeting;
4. A statement notifying the employee that absent any extenuating circumstance, failure to appear at the meeting will result in a waiver of the employee's right to a meeting.

B. The employee has the right to be represented by counsel at the pre-disciplinary meeting. At the pre-disciplinary meeting, the employee has the right to either: a) appear at the meeting and present an oral or written statement in response to the charges; b) appear at the meeting and have his chosen counsel present an oral or written statement in response to the charges; or, c) elect to waive his opportunity to have a pre-disciplinary meeting. Failure to attend a scheduled pre-disciplinary meeting will be considered a waiver of the opportunity to have a pre-disciplinary meeting.

C. The Employer will schedule the pre-disciplinary meeting as promptly as possible. The Appointing Authority or his designee may impose reasonable rules as to the length of the pre-disciplinary meeting and the conduct of the participants. The Appointing Authority or his designee may tape-record the pre-disciplinary meeting. The employee does not have the right to call, confront, or cross-examine witnesses. The Appointing Authority or his designee may prepare a written report after the pre-disciplinary meeting concluding whether the

alleged conduct occurred. If such a report is prepared, it will be provided to the employee. (amended 12-7-2009, 09-R-693)

D. If the Appointing Authority or his designee determines that the employee's continued employment prior to the pre-disciplinary meeting poses a danger to persons or property or a threat of disrupting operations, he may place the employee on administrative leave with pay pending the pre-disciplinary meeting.

E. Upon completion of the pre-disciplinary meeting, the Appointing Authority or his designee shall determine the appropriate discipline, if any. The employee will be notified of the disciplinary action in accordance with law. Only the Appointing Authority has the statutory right to suspend or terminate. Supervisors may not suspend or terminate.

F. When imposing a reduction a suspension of more than twenty-four (24) hours, a fine of more than twenty-four (24) hours, or a removal, of a classified employee, the Employer shall sign a written order of reduction, suspension or removal in accordance with DAS and State Personnel Board of Review Rules and Regulations. The proper form ADM 4055 (Rev. 6-99) must be utilized for this purpose. (Utilize Form 32 – Order of Removal, Reduction, Suspension, Fine, Involuntary Disability Separation). The order shall state the reasons for the disciplinary action or removal. The Employer shall furnish a copy of the order to the employee and shall file a copy of the order with the Local Board of review and if one does not exist, then with the State Personnel Board of Review in accordance with law. A Board of County Commissioners resolution is required for suspension or termination. (amended 12/7/2009 09-R-693)

G. The Employer may require an employee who is suspended to report to work to serve the suspension. An employee serving a suspension in this manner shall continue to be compensated at the employee's regular rate of pay for all hours worked. A working suspension shall have the same effect as a suspension from work without pay for purposes of recording disciplinary actions and demonstrating progressive discipline.

H. The filing or prosecution of criminal charges against an employee for alleged misconduct or criminal activity shall not be determinative as to appropriate disciplinary action, if any, under this policy. The Employer shall investigate the employee's alleged misconduct or activities and determine the appropriate discipline, if any, without regard to whether criminal charges are pending. The disposition of criminal charges shall be independent of the disciplinary investigation and shall not affect either the decision to take disciplinary action or the appropriateness of the action taken. (Utilize Form 33 – Piper/Garrity Notice).

I. The Employer may place an employee on unpaid administrative leave for a period not to exceed two months if the employee has been charged with a violation of law that is punishable as a felony. If the employee does not ultimately plead guilty or is not found guilty of a felony, the Employer must pay the employee for the period the employee was on that leave at the employee's base rate of pay, plus interest.

J. The Employer has the right to investigate alleged disciplinary violations. All employees are required to cooperate during investigations. The Employer has the right to investigate alleged disciplinary violations. All employees are required to cooperate during investigations including appearing as witnesses in any investigation interview. Failure to cooperate with an investigation will be considered insubordination and will result in discipline up to and including termination. (Amendment 12/10/07 resolution 07-R-773)

K. The purpose of disciplinary action is to encourage corrected performance or behavior, except where the employee is removed. To that end, an employee may request, and the Employer may agree, to remove disciplinary action from an employee's general personnel file after two (2) years, where the employee shows marked improvement. The record of discipline will be kept in a separate "dead" file for at least seven (7) years. The Employer is required to maintain such records by the Ohio Civil Rights Commission.

Section 7.04 C and F amended 12/7/09, resolution

7.05 Related/Unrelated Offenses

A. Multiple policy infractions should be dealt with by following the progressive discipline procedure set forth below:

1. Multiple offenses which are unrelated are progressively disciplined in the groups in which the offenses are classified.
2. Multiple offenses which are related are progressively disciplined regardless of the groups in which the offenses are classified and regardless of the order in which the offenses occurred.
3. Multiple offenses which are closely related in time, even if unrelated or in different groups hereunder, may be combined to result in discipline which exceeds the severity of the total sum of the separate offenses.

B. Examples of the difference between the treatment of related and unrelated offenses are as follows:

1. If, as a first offense, an employee commits Group I Offense #1, "failure to properly and completely sign in or out," the employee would normally receive a verbal warning. If within twenty-four (24) months this employee commits an unrelated offense, Group II Offense #18, "unauthorized use of Employer property or equipment..." the employee would receive a one (1) to three (3) day suspension without pay. If, however, the second offense had been related to the first offense, such as Group II Offense #5, "willful refusal to sign in or out when required," the employee would receive a five (5) to fifteen (15) day suspension without pay.
2. If, as a first offense, an employee commits Group III Offense #2, "refusal without legitimate reason, to work during emergency situations or conditions," the employee would be disciplined up to termination. If the employee is not terminated, for whatever reason, and if within twenty-four (24) months the

employee commits an unrelated offense, Group II Offense #6, “performing private work on Employer time,” the employee would receive a one (1) to three (3) day suspension. If, however, the second offense had been related to the first offense, such as Group II Offense #3, “failure to report for overtime work, without proper excuse, after being scheduled to work in accordance with overtime policy,” the employee would be subject to termination.

7.06 Last Chance Agreements

A last chance is an agreement signed by both the Employer and an employee that describes the type of behavior or circumstances that upon reoccurrence will automatically lead to removal of the employee without the right of appeal to the Local Board of Review or State Personnel Board of Review or the appropriate civil service commission.

7.07 Appeals

- A. Personnel action such as dismissals, suspensions and fines of twenty-four (24) hours or more, fines of twenty-four hours (24) of pay or more, demotions, and layoffs may be appealed by affected employees through the in-house complaint procedure, or if necessary, by classified employees, to the State Personnel Board of Review. Suspension of less than twenty-four (24) hours, and fines of less than twenty-four hours (24) of pay, may be appealed to the Appointing Authority through the in-house Complaint Procedure only (See 8.01 Complaint Procedure).
- B. The Employer has the discretion to allow the appeal as a grievance to be heard by the Appointing Authority or his designee, but to limit additional evidence to that not already introduced in the pre-disciplinary meeting. Disciplinary action based on conviction of a “felony” within the meaning of R.C. 124.34 may not be appealed to the Local Board of Review or the State Personnel Board of Review.
- C. Appeals to the Local Board of Review or the State Personnel Board of Review from removal, demotion, fines, or suspension must be filed within ten (10) days of the date the employee is served with the order. Appeals from layoffs must be made within ten (10) days after receipt of the notice of layoff.

SECTION 8 MISCELLANEOUS

8.01 Complaint Procedure

The Employer recognizes that within any organization there will be occasional differences among its employees regarding interpretations of rules or other problems stemming from conditions of employment. Whenever differences or problems arise, employees should attempt to resolve the matter informally through proper channels.

- A. In the event a difference or problem cannot be resolved informally, the Employer provides the following complaint procedure by which an employee may seek a resolution of his or her grievance.

Step 1: Any employee having a complaint may file it in writing (see Appendix Q, Grievance/Complaint Form) with his or her immediate supervisor/Administrator. In order for the complaint to be recognized, it must be filed within five (5) working days from the date the alleged incident occurred. Within five (5) working days from the date the complainant first presented his or her issue, the supervisor/Administrator will attempt to resolve the matter.

Step 2: If the issue is not resolved in Step 1, the complainant may pursue the matter by submitting the complaint in writing to the Appointing Authority within five (5) working days from the reply received in Step 1. The Appointing Authority shall, if it is deemed necessary, meet with those concerned and otherwise attempt to resolve the matter within five (5) working days from the receipt of the complaint.

Step 3: If the matter is not resolved in Step 2, the complainant may pursue the matter by submitting the complaint in writing to the County Commissioners or designee within five (5) working days from the reply received in Step 2. The County Commissioners or designee shall respond in writing to the complainant within ten (10) working days following the conclusion of their investigation. The decision rendered in this Step 3 is final and binding.

- B. In the event of extenuating circumstances, a time limit may be extended by mutual agreement of both parties in writing.
- C. Complaints not processed to the next step of the procedure within the specified time limit or any extension thereof, shall be considered to have been resolved on the basis of the decision at the previous step.
- D. Any complaint not answered within the prescribed time limit or extension thereof, shall be considered to have been answered in the negative and may be advanced to the next step.
- E. Where the alleged complaint is of a nature that qualifies the appeal under rules of the Local Board of Review or State Personnel Board of Review, the complainant must appeal through the SPBR in accordance with the rules of that body.

8.02 Bulletin Boards

- A. It is the policy of the Employer to provide and maintain bulletin boards as a means of communicating information to employees. All material that is to appear on County bulletin boards shall be posted and removed only by Appointing Authority or the Appointing Authority's designee.

B. All Employer notices, federal and state required notices, and legal notices shall be posted in an area visible to all employees. Information of a general public interest may be posted upon by the Appointing Authority or Appointing Authority's designee following approval.

C. Posted material may not contain:

1. Personal attacks on any employee or public official;
2. Scandalous or derogatory attacks on any employee, public official, or governmental unit/agency;
3. Attacks on or unfavorable comments regarding a candidate for public office;
4. Attacks on any organization or group; or
5. Any language or images that, in the sole discretion of the Appointing Authority or Appointing Authority's designee, is determined to be inappropriate or unsuitable for the workplace.

D. Employees and non-employees wishing to have material posted on an Employer bulletin board must submit a written request for approval to the Appointing Authority or the Appointing Authority's designee. The written request shall include the name of the person making the request to post the material, a copy of the material to be posted and the period of time the material will be posted for. After having been posted for the requested period of time, all materials will be discarded

E. Material posted in violation of this policy shall be removed from the bulletin board(s) on which it was posted and employees in violation of this policy shall be subject to disciplinary action.

8.03 Wage Garnishments

- A. **Generally.** The Employer is authorized by state and federal law to attach, or withhold, money from your paycheck for an unpaid debt qualifying as a garnishment. Notice of a garnishment is usually received in by the Auditor or COUNTY Fiscal Department Payroll Clerk. If it is received elsewhere, it should be sent to that office. A garnishment is a court-ordered legal claim against the wages of an employee by creditor for non-payment of a debt and served by the constituted legal authority. An effective garnishment must be recognized and executed by the County Auditor and the COUNTY Fiscal Department Payroll Clerk.

A Garnishment order takes priority over all other wage actions except tax levies Repeated garnishment on the wage of an employee can result in disciplinary action.

B. **Employer Notification.** When a garnishment is received for an employee, the following procedure of notification will apply:

1. The Auditor's office shall notify the employee's supervisor and the COUNTY Fiscal Department Payroll Clerk.

2. The employee's supervisor and the COUNTY Fiscal Department Payroll Clerk will schedule a conference with the employee to discuss the garnishment.
3. The Auditor's office, at the request of the Employer will determine whether or not the employee has had previous garnishment of wages.

C. First Garnishment. If the garnishment is the first one received by an employee, the following procedure will apply:

1. The employee will be informed by the Appointing Authority and the COUNTY Fiscal Department Payroll Clerk of the consequences of further garnishments.
2. Every reasonable effort to counsel the employee through referral to an appropriate agency will be made by the appointing authority in order to assist the employee in working out their financial difficulties.

D. Second Garnishment. If a second garnishment is received within a twelve (12) month period for a separate debt of the employee:

1. A meeting will be arranged between the employee and the Appointing Authority and the COUNTY Fiscal Department Payroll Clerk.
2. The Employer will refer the employee to a credit counseling agency or other appropriate agency for assistance.

E. Third Garnishment. If a third garnishment is received within a twelve (12) month period for a separate debt of the employee:

1. The Appointing Authority or Appointing Authority's designee along with the employee will meet with the Employer's legal advisor to discuss the consequences of the garnishment notice.
2. The Employer will check to see if the employee sought assistance from a credit counseling agency or other appropriate agency, pursuant to ©(2), above.
3. Depending upon the circumstances, the employee may be subject to disciplinary action consistent with the policy outlined in 7.03.

8.04 Gambling

A. Morrow County expressly prohibits employee gambling: (1) at all places during work hours, and (2) on Employer premises at all times, including breaks and after hours. Employees may not gamble during work hours and may never gamble on Employer property.

B. For the purposes of this section, gambling is defined as the wagering of money or other valuables on the outcome of events. This includes, but is not limited to, card and dice games, and internet gambling. Charity related raffles with fund-raising purposes are allowed.

C. Violation of this policy can result in disciplinary action, up to and including termination. Employees who believe they may have a gambling problem are encouraged to contact Human Resources for information and treatment assistance.

A Summary of Your Rights Under the Fair Credit Reporting Act

The federal Fair Credit Reporting Act (FCRA) is designed to promote accuracy, fairness, and privacy of information in the files of every “consumer reporting agency” (CRA). Most CRAs are credit bureaus that gather and sell information about you—such as if you pay your bills on time or filed bankruptcy—to creditors, employers, landlords, and other businesses. You can find the complete text of the FCRA, 15 U.S.C. §§ 1681-1681u, at the Federal Trade Commission’s web site (<http://www.ftc.gov>). The FCRA gives you specific rights, as outlined below. You may have additional rights under state law. You may contact a state or local consumer protection agency or a state attorney general to learn those rights.

- **You must be told if information in your file has been used against you.** Anyone who uses information from a CRA to take action against you—such as denying an application for credit, insurance, or employment—must tell you, and give you the name, address, and phone number of the CRA that provided the consumer report.
- **You can find out what is in your file.** At your request, a CRA must give you the information in your file, and a list of everyone who has requested it recently. There is no charge for the report if a person has taken action against you because of information supplied by the CRA, if you request the report within 60 days of receiving notice of the action. You also are entitled to one free report every twelve months upon request if you certify that (1) you are unemployed and plan to seek employment within 60 days, (2) you are on welfare, or (3) your report is inaccurate due to fraud. Otherwise, a CRA may charge you up to eight dollars.
- **You can dispute inaccurate information with the CRA.** If you tell a CRA that your file contains inaccurate information, the CRA must investigate the items (usually within 30 days) by presenting to its information source all relevant evidence you submit, unless your dispute is frivolous. The source must review your evidence and reports its findings to the CRA. (The source also must advise national CRAs—to which it has provided the data—of any error.) The CRA must give you a written report of the investigation, and a copy of your report if the investigation results in any change. If the CRA’s investigation does not resolve the dispute, you may add a brief statement to your file. The CRA must normally include a summary of your statement in future reports. If an item is deleted or a dispute statement is filed, you may ask that anyone who has recently received your report be notified of the change.
- **Inaccurate information must be corrected or deleted.** A CRA must remove or correct inaccurate or unverified information from its files, usually within 30 days after you dispute it. **However, the CRA is not required to remove accurate data from your file unless it is outdated (as described below) or cannot be verified.** If your dispute results in any change to your report, the CRA cannot reinsert into your file a disputed item unless the information source verifies its accuracy and completeness. In addition, the CRA must give you a written notice telling you it has reinserted the item. The notice must include the name, address and phone number of the information source.

- **You can dispute inaccurate items with the source of the information.** If you tell anyone—such as a creditor who reports to a CRA—that you dispute an item, they may not then report the information to a CRA without including a notice of your dispute. In addition, once you’ve notified the source of the error in writing, it may not continue to report the information if it is, in fact, an error.
- **Outdated information may not be reported.** In most cases, a CRA may not report negative information that is more than seven years old; ten years for bankruptcies.
- **Access to your file is limited.** A CRA may provide information about you only to people with a need recognized by the FCRA—usually to consider an application with a creditor, insurer, employer, landlord, or other business.
- **Your consent is required for reports that are provided to employers, or reports that contain medical information.** A CRA may not give out information about you to your employer, or prospective employer, without your written consent. A CRA may not report medical information about you to creditors, insurers, or employers without your permission.
- **You may choose to exclude your name from CRA lists for unsolicited credit and insurance offers.** Creditors and insurers may use file information as the basis for sending you unsolicited offers of credit or insurance. Such offers must include a toll-free phone number for you to call if you want your name and address removed from future lists. If you call, you must be kept off the lists for two years. If you request, complete, and return the CRA form provided for this purpose, you must be taken off the list indefinitely.
- **You may seek damages from violators.** If a CRA, a user or (in some cases) a provider of CRA data, violates the FCRA, you may sue them in state or federal court.

The FCRA gives several different federal agencies authority to enforce the FCRA:

Retire/Rehire Public Hearing Discussion Checklist
Form #47

Retire/Rehire Public Hearing Discussion Checklist

*** The topics stated in the following checklist are not required to be discussed during the public hearing. The purpose of the public hearing is to provide a forum for the public to voice their opinion regarding the Board's proposal ***

- Outline, for the public, the name of the employee, the position the employee is retiring from and is proposed to be hired to, and the terms of the rehire (wage, payouts, any other terms of the rehire, etc.)

Possible Topics of Public Concern:

- Discuss whether or not the retiree should be rehired as a new employee
- Discuss whether or not the Board should pay out accumulated leave beside vacation leave, or permit the retiree to maintain existing leave balances (e. g. sick leave, compensatory time, etc.)
- Discuss the rationale of retire/rehires (e.g. maintaining experience, institutional knowledge, etc.)
- Discuss the economic impact of a retire/rehire versus hire

These are some of the considerations that should be made when considering whether to rehire a retiree.
